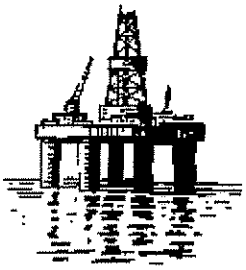
Dear Mr. Schroeder,

Thank you for your comments regarding the proposed new lease form. All comments received are reviewed by OMR Staff and provided to the State Mineral and Energy Board for review. Be assured that your comments will be afforded appropriate consideration.

Again, the Staff of OMR appreciates your interest in the proposed new lease form and welcomes any suggested language you may have regarding an acknowledgement form.



Thank You,
Suzanne O. Hyatt

Suzanne: Just a suggestion: It would be nice to also to have a "Direct" acknowledgement form for the lessee instead of the subscribing witness form of acknowledgement currently being used. I will be happy to provide "go bys." Thanks, Rob
