Re: Marg Tex Zone, Reservoir A
Cossinade Field
Vermilion Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **PETRO-HUNT, L.L.C.** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters:

1. To establish rules and regulations and to create three (3) drilling and production units for the exploration for and production of gas and condensate from the Marg Tex Zone, Reservoir A, in the Cossinade Field, Vermilion Parish, Louisiana, said units to be designated MT RA SUA, MT RA SUB and MT RA SUC, all as shown on the plat attached hereto and made a part hereof.

2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed unit with each tract sharing in unit production on a surface acreage basis of participation.

3. To provide that any wells drilled to the Marg Tex Zone, Reservoir A, in the Cossinade Field, should be located in accordance with the spacing provisions of LAC 43:XIX.1901 et seq. (Statewide Order No. 29-E).

4. To provide that the Commissioner of Conservation should be authorized to reclassify the reservoir by supplemental order without the necessity of a public hearing should the producing characteristics of such reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.

5. To consider such others matters as may be pertinent.

The Marg Tex Zone, Reservoir A, in the Cossinade Field, is hereby defined as being that gas and condensate bearing zone encountered between the depths of 13,735 feet and 17,743 feet, (electrical log measurements) in the Amerada Hess Corporation – Schexnider Heirs No. 1 Well, located in Section 18, Township 11 South, Range 1 East, Vermilion Parish, Louisiana.

Pertinent data, including well logs, may be obtained **AT THE COST OF THE REQUESTING PARTY** from W. H. Robbins & Associates, 140 Rue Beauregard, Suite 100, Lafayette, Louisiana 70508, Telephone Number (337)232-5004.

Pursuant to the Rules of Procedure, pre-application notice was given. No request for the conference was received; therefore, the conference tentatively scheduled for July 14, 2004, **WILL NOT BE HELD**.

Attached hereto and made a part hereof is a plat outlining the applicant's proposal, along with a list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being mailed. Pursuant to the Revised Rules of Procedure, such plat (being the same plat attached to the pre-application notice dated June 23, 2004) and list of parties are being furnished only to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation; however, the plat and/or list of parties will be furnished to any party requesting copies. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed is our check on behalf of the applicant, in the amount of $755.00 made payable to the Office of Conservation and representing the required hearing application fee.

Very truly yours,

Richard W. Revels, Jr.
