Dear Sir:

1. To create one additional drilling and production unit for the exploration for and production of gas and condensate from the Haynesville Zone, Reservoir A, in the King Hill Field, Natchitoches Parish, Louisiana, to be designated HA RA SUW, as shown outlined on the plat attached hereto and made a part hereof;

4. To provide that with respect to horizontal wells drilled to the Haynesville Zone, Reservoir A, in or to serve the proposed unit, where the horizontal lateral portion of the well is cased and cemented back above the top of the Haynesville Zone, Reservoir A, the distance to any unit boundary and any offset well(s) will be calculated based on the distance to the nearest perforation in the well, and not based on the penetration point or terminus;

5. To extend to the additional unit, except to the extent inconsistent herewith, the pertinent provisions of Office of Conservation Order No. 1243-C, effective January 6, 2009, as amended and supplemented by the 1243-C Series of Orders, and of all applicable Statewide Orders; and
