RE: Emergency Application
16,400' Tuscaloosa Zone, Reservoirs C&D
Wilcox Zone, Reservoir A
Port Hudson Field
East Baton Rouge Parish, Louisiana

Dear Sir:

New Century Exploration, Inc. ("Applicant") hereby makes application to the Commissioner of Conservation for the calling of a public hearing after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the 16,400' Tuscaloosa Zone, Reservoirs C&D, and Wilcox Zone, Reservoir A, in the Port Hudson Field, East Baton Rouge Parish, Louisiana.

1. To establish rules and regulations governing the exploration for and production of gas and condensate from the 16,400' Tuscaloosa Zone, Reservoirs C&D and oil and gas from the Wilcox Zone, Reservoir A, in the Port Hudson Field, East Baton Rouge Parish, Louisiana.

2. To create drilling and production units for the exploration for and production of gas and condensate from the 16,400' Tuscaloosa Zone, Reservoirs C&D and drilling and production units for the exploration for and production of oil and gas from the Wilcox Zone, Reservoir A.

3. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed units, with each tract sharing in unit production on a surface acreage basis of participation.

4. To designate a unit operator and unit wells for the units so created as may be appropriate.

5. To provide that any future unit wells drilled to the 16,400' Tuscaloosa Zone, Reservoirs C&D and Wilcox Zone, Reservoir A, shall be in compliance with the well spacing provisions of Statewide Order No. 29-E.

6. To provide that the Commissioner of Conservation should be authorized to reclassify the reservoirs by supplemental order without the necessity of a public hearing if the producing characteristics of the reservoirs change and evidence to

justify such reclassification is submitted to and accepted by the Commissioner of Conservation.

7. To consider such other matters as may be pertinent.

The 16,400' Tuscaloosa Zone, Reservoirs C&D are hereby defined as being that gas and condensate bearing sand encountered between the depths of 16,850' and 17,790' (electrical log measurements) and the Wilcox Zone, Reservoir A, is hereby defined as that oil and gas bearing zone encountered between the depths of 9,730' and 12,800' (electrical log measurements) all in the Shell Oil Company - McVea No. 1 well (WSN 162560); Located in Section 76, Township 4 South, Range 1 West, East Baton Rouge Parish, Louisiana.

All pertinent data relating to the subject application is available for inspection at the offices of Louis Gilbert & Associates, Inc., 3636 N. Causeway Blvd., Suite 204, Metairie, Louisiana 70002. Any person wishing to inspect such data should contact the undersigned at (504) 834-8112 during normal business hours in order to arrange a date and time for such inspection. A copy of any such pertinent data that is not otherwise available from the Office of Conservation can be obtained at the expense of the requesting party.

The Commissioner of Conservation has waived the 20-day pre-application notice and Rule 3 for the Revised Rules of Procedure shall not apply in connection with this application. A conference to discuss the proposed units and the basis thereof is hereby scheduled for Friday, November 9, 2007, at 10:00 a.m. at the Marriot, 5500 Hilton Ave., Baton Rouge, Louisiana 70808, (225) 924-5000.

There is no requirement for persons receiving this notice to attend or be represented at this conference, but this is merely an invitation to all known Interested Parties to attend the conference should they so desire.

There is attached hereto and made a part hereof, plats outlining the proposed units and a list of names and addresses of the Interested Parties, Interested Owners and Represented Parties to whom this notice is being sent. Pursuant to the Revised Rules of Procedure, such list of Parties is being furnished ONLY to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation. The aforementioned list is available upon request to any Interested Party. A reasonable effort was made to ascertain the names and addresses of all Interested Parties, Interested Owners and Represented Parties as required by the Revised Rules of Procedure.

There is enclosed herewith on behalf of the Applicant a check made payable to the Office of Conservation, representing the required hearing application fee.

Very truly yours,
LOUIS GILBERT & ASSOCIATES, INC.

Louis F. Gilbert
