Subject: Bayou Corne Action Plan  
Napoleonville Salt Dome

August 10, 2012 activity  
0800-0800 hrs

Today's activities included 24 hour Operations and Monitoring of the well pressures at the Napoleonville salt dome due to the incident at Bayou Corne. We are conducting normal operations at the Brine production facility. We are Monitoring Air quality at the Brine production facility.

We are currently participating in the Annual subsidence Monitoring Program of the Napoleonville Salt dome.

We assisted LADEQ and LADNR In collecting water samples from our water wells.

August 11, 2012 activities will be the same as August 10, 2012.
