Re: APPLICATION FOR PUBLIC HEARING.

Lower Hosston Formation, Reservoir A; Cotton Valley Formation, Reservoir A; and Haynesville Zone, Reservoir A, BELLE BOWER FIELD, DeSoto Parish, Louisiana.

Dear Sir:

INDIGO MINERALS, L.L.C. ("Applicant") hereby respectfully applies for a public hearing to consider evidence relative to the issuance of Orders pertaining to the following matters relating to the Lower Hosston Formation, Reservoir A; the Cotton Valley Formation, Reservoir A; and to the Haynesville Zone, Reservoir A; all in the Belle Bower Field, DeSoto Parish, Louisiana:

1. To establish rules and regulations governing the exploration for and production of gas and condensate from the Haynesville Zone, Reservoir A.

2. To create two (2) drilling and production units for the exploration for and production of gas and condensate from the Haynesville Zone, Reservoir A, such units being shown on the attached plat and being designated HA RA SUA and HA RA SUB.

3. To force pool and integrate all separately owned tracts, mineral leases and other property interests within each of the proposed units with each tract sharing in unit production on a surface acreage basis of participation.

4. To designate an operator of, and unit wells for, the proposed units as may be appropriate.

5. To propose that future wells drilled to the Haynesville Zone within or outside of the units proposed herein be located no closer than 330 feet to any unit line and no closer than 660 feet to any well completed in, drilling to, or for which a permit has been granted to drill to the Haynesville Zone.

6. To permit applicant to combine downhole production from the Haynesville Zone underlying the proposed units with production from the Lower Hosston Zone underlying the existing units L HOSS RA SUA and L HOSS RA SUF, and with production from the Cotton Valley Formation underlying the existing units CV RA SUA and CV RA SUF, or from any combination thereof, in any well drilled on these units in which the ownership interests in the units from which production is combined downhole are identical.

7. To define the Haynesville Zone, Reservoir A, as the stratigraphic equivalent of that interval encountered between the measured depths of 9,800 feet and 11,256 feet in the Comstock Oil & Gas-La., LLC-- Caraway Estate No. 2 Well, located in Section 20, Township 12 North, Range 16 West, DeSoto Parish, Louisiana.

8. To consider such other matters as may be pertinent to these proposals.

Any pertinent data concerning this application will be available for inspection at the offices of Craig Barclay, 522 Dumbarton, Shreveport, Louisiana 71106. Any person wishing to inspect any such data should call Mr. Barclay at (318) 869-2223 during normal business hours in order to arrange a date and time for such inspection. A copy of any such data which is not otherwise available at the Office of Conservation can be obtained from Applicant at the expense of the requesting party.

By letter dated May 20, 2008, Applicant gave notice, in accordance with the Revised Rules of Procedure, of its intention to apply for a public hearing concerning these proposals and set June 12, 2008, as the tentative date for the pre-application conference. No request for the conference was received within ten (10) days after the date of said letter; therefore, no pre-application conference will be held.

Pursuant to the Revised Rules of Procedure, Applicant has made a reasonable effort to obtain the names and addresses of all Interested Owners, Represented Parties and Interested Parties to whom notice of this application is being sent and has attached hereto a list of the names and addresses of such parties. A copy of the unit plat showing the units proposed to be created (which is identical to the plat attached to the pre-application notice) is enclosed herewith, and a copy of this letter and of the attached plat is being sent to the District Manager of the Shreveport District of the Office of Conservation and to the Interested Owners, Represented Parties and Interested Parties as shown on the attached list.

Applicant will provide for posting of a copy of the Legal Notice of this hearing, and of the enclosed plat, at a prominent place in the area affected and will cause publication of the Legal Notice in a newspaper published in the general area of Belle Bower Field, all in accordance with the Revised Rules of Procedure. Furthermore, Applicant will mail a copy of the Legal Notice to all Interested Owners, Represented Parties and Interested Parties promptly upon receipt of the Legal Notice from the Commissioner.

Finally, enclosed herewith is our check payable to the Office of Conservation covering the application fee.

Yours very truly,

David L. Smelley
