RE: HEARING APPLICATION
HOSS SU53
CV RA SUJ
Logansport Field
DeSoto Parish, Louisiana
Our File No. 230593.152

Dear Sir:

On behalf of COMSTOCK OIL & GAS-LOUISIANA, LLC, application is hereby made for a public hearing to receive evidence concerning the issuance of an order pertaining to the following matters relating to the Hosston Zone and the Cotton Valley Formation, Reservoir A, in the Logansport Field, DeSoto Parish, Louisiana:

1. To permit the applicant to drill, designate and utilize three (3) additional alternate unit wells for HOSS SU53 and four (4) additional alternate unit wells for CV RA SUJ, at the locations shown on the plats attached hereto, in exception to the well spacing provisions of Office of Conservation Order No. 28-S-4, effective July 22, 1981 and Office of Conservation Order No. 28-W, effective April 22, 1980.

2. To explicitly find that the proposed alternate unit wells are necessary to drain a portion of the Hosston Zone and Cotton Valley Formation, Reservoir A, in the Logansport Field underlying HOSS SU53 and CV RA SUJ, which cannot be efficiently and economically drained by any existing well in such units.

3. To provide that the unit allowables for HOSS SU53 and CV RA SUJ, respectively, may be produced from either the unit well, alternate unit wells, or any combination thereof, at the operator's discretion.

4. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.

The Hosston Zone in the Logansport Field, DeSoto Parish, Louisiana, was redefined in Office of Conservation Order No. 28-S, effective April 21, 1970.

The Cotton Valley Formation, Reservoir A, in the Logansport Field, DeSoto Parish, Louisiana, was defined in Office of Conservation Order No. 28-W-1, effective October 15, 1982.

The Rules of Procedure of the Commissioner of Conservation pertaining to the Pre-Application Notice requirements are not applicable to the hearing requested herein, which requires legal notice of only ten (10) days.

Pertinent data concerning the intended application will be made available for inspection at the offices of the undersigned. Any person wishing to inspect such data should call the undersigned at (318) 221-6858 during normal business hours or write the undersigned at the above address, in order to arrange a date and time for such inspection. A copy of any such pertinent data can be obtained at the expense of the requesting party.

A list of the names and addresses of all Interested Owners, Represented Parties and Interested Parties (as defined in the Rules of Procedure) is attached hereto, and a copy of this notice, with the annexed plats, is being sent to each of such persons. A check in the amount of $1,510.00 made payable to the Commissioner of Conservation is enclosed herewith as the statutory fee for holding the requested hearing.
