Re: **APPLICATION FOR PUBLIC HEARING**
Proposed Alternate Unit Wells
Haynesville Zone, Reservoir A
HA RA SUZZ
Caspiana Field
DeSoto Parish, Louisiana

Application is hereby made on behalf of **EXCO PRODUCTION CO., L.P.,** (Applicant), to the Commissioner of Conservation for a Public Hearing to consider evidence relative to the issuance of an Order pertaining to the following matters relating to the Haynesville Zone, Reservoir A, Caspiana Field, DeSoto Parish, Louisiana:

1. To permit the Applicant to drill, designate and utilize eight (8) alternate unit wells for the production of gas and condensate for the Haynesville Zone, Reservoir A, in the unit designate HA RA SUZZ, Caspiana Field, DeSoto Parish, Louisiana, such unit and wells, shown on the attached plat and being made a part hereof.

2. To find that Alternate Unit Wells are necessary, at the locations shown on the attached plat, to assist in draining a portion of the Haynesville Zone, Reservoir A, in the unit designated HA RA SUZZ that cannot be drained by any other well located within the unit.

3. To find that with respect to horizontal well(s) to be drilled to the Haynesville Zone, Reservoir A, within or to serve the HA RA SUZZ where the horizontal portion of the well is cased and cemented back above the top of the Haynesville Zone, Reservoir A, the distance to any unit boundary and any offset well(s) shall be calculated based on the distance from the nearest perforations in the well and not based on the penetration or terminus point.

4. To permit the unit operator to produce the assigned unit allowable form the unit well, the alternate unit wells or from a combination of all wells, at its discretion.

5. To consider and cover such other matters as the Commissioner of Conservation may deem pertinent and appropriate.

The Haynesville Zone, Reservoir A, in the Caspiana Field, DeSoto Parish, Louisiana, was initially defined in Office of Conservation Order No. 191-H, effective August 27, 2007, and was redefined in Office or Conservation Order No. 191-H-23, effective December 2, 2008, for and only insofar as it concerns the HA RA SUZZ.

The pertinent data pertaining to this Application is available for inspection at the offices of Bob F. Anderson, PE, Inc., 400 Travis Street, Suite 209, Shreveport, Louisiana 71101. Any person wishing to inspect such data should call Bob Anderson 318/425-4230 during normal business hours in order to arrange a date and time for such inspection. A copy of any such pertinent data that is otherwise not available from the Office of Conservation can be obtained **at the expense of the requesting party**.

The subject matter of this Application does not require a Pre-Application Notice.

Pursuant to the revised Rules of Procedure, Applicant has made a reasonable effort to obtain the names and addresses of all Interested Owners, Interested Parties and Represented Parties to whom this Application is being sent. A copy of this letter, plat and list of parties is being sent to the District Manager of the Shreveport District Office of Conservation. The attached letter and plat is being sent to the Interested Owners, Represented Parties and the Interested Parties as shown on the attached list.

Attached hereto is our check, made payable to the Office of Conservation, to cover the applicable hearing fee.

Yours truly,

B. F. Anderson, PE, Consultant for
EXCO PRODUCTION COMPANY, L.P.
