Re: Haynesville Zone, Reservoir A
Woodardville Field
Bienville Parish, Louisiana

APPLICATION FOR PUBLIC HEARING

Dear Sir:

QEP Energy Company hereby makes application pursuant to the revised rules of procedure for a public hearing to consider evidence relating to the following matters pertaining to the Haynesville Zone, Reservoir A, in the Woodardville Field, Bienville Parish, Louisiana:

1. To authorize QEP Energy Company to drill, designate and utilize three (3) horizontal laterals as alternate unit wells for HA RA SUYY at the locations and in the general manner shown on the plat attached hereto and made a part hereof;

2. To establish that the proposed alternate unit wells are necessary to efficiently and economically drain portions of the Haynesville Zone, Reservoir A, underlying HA RA SUYY;

3. To authorize the unit allowable for this unit to be recovered from the existing unit well, the proposed alternate unit wells, or any combination thereof, at the discretion of the operator; and

4. To consider and cover such other matters as the Commissioner of Conservation may deem appropriate and necessary under the circumstances.

The Haynesville Zone, Reservoir A, in the Woodardville Field, Bienville, Bossier and Red River Parishes, Louisiana, was defined in Office of Conservation Order No. 990-D, effective July 15, 2008.

The subject matter of this application does not require the issuance of a pre-application notice.

The actual paths of the proposed alternate unit wells may differ from the direct paths from the surface to bottom hole locations depicted on the attached plat. However, in no event will the wells be perforated closer that 330 feet to any unit line.

Any pertinent data relating to this matter can be obtained at the cost of the requesting party, from Mr. Craig Barclay, 522 Dumbarton Drive, Shreveport, Louisiana 71106, at telephone number (318) 869-2223.

The list of parties attached to the copies of this application being sent to the Office of Conservation includes the names of all Interested Owners, Represented Parties and Interested Parties known to Applicant after a diligent search. A copy of this application, with plats attached, is being sent to each such party. Pursuant to Office of Conservation regulations, the list of parties is being furnished only to the Commissioner of Conservation and to the District Manager of the Shreveport District of the Office of Conservation; however, the list of parties will be provided to any person requesting a copy of it. Enclosed with the copy of this letter being sent to the Commissioner of Conservation is a check for the required application fee.

Yours very truly,

COOK, YANCEY, KING & GALLOWAY
