Environmental Division

Docket No.: ENV-L-2015-01

Martha Zoe Moore, et al v. Denbury Onshore, LLC
U.S.D.C.- Western District, No.: 3:14CV 913

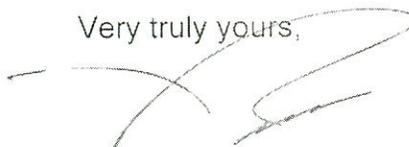

Dear Mr. Snellgrove:

I enclose three paper copies and a CD of Dr. Luther Holloway's Plant Root Study. This study was referenced in his earlier report. Arabie Environmental Services monitored the study.

I also enclose three paper copies of a letter from Michael Pisani & Associates, Inc. The letter submits a revision to Table 8 of the Feasible Plan entitled "Contingent Soil Remediation Cost Estimate." The revision is based on the Plant Root Study performed by Dr. Holloway. The letter is also on the CD.

With best regards, I remain

Very truly yours,

D. Russell Holwadel
