Call to Order:

Commissioner James H. Welsh, Chairman of the Cross-Unit Well Study Commission, called the meeting to order at 9:00 a.m. with welcoming remarks. The Roll was called and a quorum was established.

Discussion:

A discussion was then held as the background giving rise to Act 394, the issues involved with drilling cross-unit lateral wells and the potential problems and benefits as a result of the same. Senator Robert Adley was present and provided his thoughts and comments on the intent of the legislation.

Action:

Four members (Fleming, Martin, Davidson, and Hall) were placed in a sub-committee tasked with considering a statutory approach, and creating some language to potentially address the issue (this language to be discussed at the next meeting).

Adjourn:

The meeting adjourned at 11:30 a.m.
