

Coast-It Notes

CONTACT US

Friday, February 3, 2012

Greetings from the Louisiana Department of Natural Resources Office of Coastal Management.

Permit Section Updates

OCM will be hosting two full-day seminars titled "Regulatory and Commenting Agency Permitting Roles in the Louisiana Coastal Zone". The goal of these seminars is to provide coastal users with an idea of the roles various state and federal agencies assume during review of OCM/COE applications. The first seminar will be held March 1, 2012 in the LaBelle Room at DNR's LaSalle Building in Baton Rouge, LA (617 N Third Street). The second seminar will be held March 28, 2012 in the Conference Room at NOAA's Estuarine Habitats and Coastal Fisheries Center in Lafayette, LA (646 Cajundome Blvd). The seminars are free but space is limited so we are requesting pre-registration in order to get a headcount. Please contact our office at OCMInfo@la.gov or 225-342-7953 to reserve your spot. If demand for the seminars exceeds available space, additional seminars will be scheduled. Click [here](#) to view the agenda.

Coastit Notes is a publication of the Office of Coastal Management to inform permit applicants, the public and others of events and items that may impact them or their interaction with our office. This e-document is intended to improve customer service and awareness of OCM works and functions and includes announcements from all OCM divisions as issues arise.
