

## Coast-it Notes February 9, 2011

### Permit Section Updates

- We are pleased to announce the addition of Kelley Templet to our eastern section permit staff. Kelley can be reached at 225-342-3124 or [kelley.templet@la.gov](mailto:kelley.templet@la.gov).
- NOAA recently finished the 312 review of our coastal management program. Early feedback has been very favorable of the program and we are looking forward to receiving the official report from NOAA.
- COE has released their most recent pipeline burial requirements. We have attached this document, entitled "COE Pipeline Burial Requirements", for your convenience.

### Interagency Affairs Updates

- DNR Office of Coastal Management is seeking Land Conservation Proposals for the Coastal Estuarine Land Conservation Program (CELCP). Please see the attached document entitled "FY2012 Notice of Availability of Grant Funding" for details of this grant proposal.

#### Rescheduled Workshop Update:

DNR will hold a workshop for potential proposers on Thursday, February 10th, from 5:00 pm until 7:00 pm in Baton Rouge at the LaSalle Building on the 1st Floor in the Griffon Room, 617 North Third Street Baton Rouge, Louisiana 70802.

- Terrebonne Parish has hired Mr. Nicholas Matherne as the Parish Director of Coastal Restoration and Preservation. Contact information for all parish Local Coastal Programs may be found on the attached LCP contact form.

Coastit Notes is a publication of the Office of Coastal Management to inform permit applicants, the public and others of events and items that may impact them or their interaction with our office. This e-document is intended to improve customer service and awareness of OCM works and functions and includes announcements from all OCM divisions as issues arise. If you wish to be removed from this list or have been forwarded this email and wish to be added to the list, please contact Christine Charrier at [OCMinfo@la.gov](mailto:OCMinfo@la.gov).
