

The False River Watershed Council
Invites You To An Open House

August 2nd
5:00 p.m. - 6:30 p.m.
Cottonport Community Center
208 East Main Street - New Roads

The False River Watershed Council will be hosting an open house event to provide information and updates on the False River restoration project. Topics covered will include:

- 1) Phase II - North Flat dredging project;
- 2) M1 and M2 project reports/updates;
- 3) 2016-2017 Drawdown information;
- 4) Best management practices for riverbank stabilization and reduction of erosion on private property;
- 5) Creating habitat in the lake and around your property.
