**Email:** cornelius.williams@la.gov

OCM REVIEWER:  
**Cornelius Williams**

CUP NUMBER:  
**P20090386 (Amended, Extended)**

**NAME:** **TAMMANY HOLDING COMPANY, L.L.C.**  
c/o ELOS ENVIRONMENTAL  
43177 E. PLEASANT RIDGE RD.  
HAMMOND, LA 70403  
Attn: Jay Prather

**LOCATION:** **Saint Tammany Parish, LA;** Slidell, LA; Lakeshore Villages, Lakeshore Estates, and Lake Shore Villages PUD Subdivisions; Lat. 30° 13' 09.8"N / Long. 89° 45' 29.62"W.

**DESCRIPTION:** Proposed expansion/development/improvements of Lakeshore villages, Lakeshore Estates, and Lakeshore Villages PUD subdivision which consists of residential, commercial and marina development components. Activities include installation of piers/wharves/docks/covered boat slips throughout the interior of the project area, inclusion of a 270 acre parcel (surrounded by levee and under pump), maintenance dredging (1778' x 80') at the mouth of the East Diversion Canal and deepening of the interior canals to a depth of 25'. The dredging of the mouth of the East Diversion Canal (1778' x80') may be done twice during the life of this permit. Also, proposed construction of a public use marina and a private landowner marina within the interior of the project area. The marinas may offer retail services, fueling dock (on land), boat launch, boat rental, pump-out facilities, boat slips, drive-up docking and dry storage. Approximately 178,619 cubic yards of native material will be displaced. In addition, approximately 866 cubic yards of rock, 45,535 cubic yards of concrete and 10,514 cubic yards of sand, 57,071 lime treated base, 32,963 of topsoil/dirt and the excavated native material will be used as fill. No additional dredge or fill is required for this project. Approximately 3.37 acres of non-vegetated waterbottoms, 27.67 acres of a non-wet area and 20.54 acres of fresh marsh may be impacted as a result of the proposed project.

**AMENDMENT 1:** Revised the footprint of this proposed project to include an area originally permitted under P20021241. The area was included in the acreage impacts but not in the footprint drawings.

**REVISION 2:** Extension Request

NOTICE the Louisiana Department of Natural Resources, Office of Coastal Management (OCM) has received a request to extend the permit period for the above referenced Coastal Use Permit in accordance with the State and Local Coastal Resources Management Act of 1978, as amended, (Louisiana R.S.

49:214.21-214.41), and the rules and regulations of the Coastal Resources Program. Applications for the proposed work may be inspected at 617 North 3rd Street, Room 1078, Baton Rouge, LA or on the OCM web page at: <http://dnr.louisiana.gov/index.cfm?md=pagebuilder&tmp=home&pid=591>. Copies may be obtained upon payment of cost of copying. Written comments, including suggestions for modifications or objections to the proposed work and stating the reasons thereof, are being solicited from the public. Comments must be received within 10 days of the date of publication of this notice. The sole reason for not allowing extension based upon public comment shall be that there has been a change in the conditions of the area affected by the permit since the permit was originally issued. Comments should be uploaded to our electronic record, but may be mailed, faxed or emailed to the designated OCM Reviewer. All comments must contain the appropriate application number and the commenter's full name and contact information.
