The Office of Coastal Management (OCM) will accept public comments on this request for a period of ten (10) days from **8/18/2015** in *The Advocate*. The sole reason for not allowing extension based upon public comment shall be that there has been a change in the conditions of the area affected by the permit since the permit was originally issued. Comments should be uploaded to our electronic record, but may be mailed, faxed or emailed to the designated OCM Reviewer. All comments must contain the appropriate application number and the commenter's full name and contact information.
