June 26, 2014 Baton Rouge  
9:00 AM to 2:30 PM  
LaBelle Hearing Room  
LaSalle Building  
617 N Third Street, Baton Rouge, LA**

The Louisiana Department of Natural Resources, Office of Coastal Management (OCM) will be holding a one-day seminar titled “Coastal Use Permitting in the Louisiana Coastal Zone” (see agenda below). This seminar will provide coastal users with an overview of the CUP process (what OCM does and how/why OCM does it) and instructions on completing a Coastal Use Permit (CUP) application, navigating our website and locating information about applications and permits. The seminar is free but space is limited so we are requesting pre-registration in order to get a headcount. Click [here](#) to register you or your group online. Please contact our office at [OCMinfo@la.gov](mailto:OCMinfo@la.gov) or 225-342-7953 for questions. If demand for the seminar exceeds available space, an additional seminar can be scheduled.
