A. STATE AGENCY LEASES
MARCH 12, 2014

La. R.S. 30:151 identifies the term "agency" as a levee district, drainage district, road district, school district, school board, or other board, commission, parish, municipality, state university, state college, state penal or charitable institution or agency, unit or institution of the state or subdivision thereof.

La. R.S. 30:155 provides that, if an agency doesn't want the Mineral and Energy Board to do its mineral leasing, it may do its own mineral leasing, the lease given must still be approved by the State Mineral and Energy Board under R.S. 30:158.

La. R.S. 30:156 provides that, if an agency wants to mineral lease its own property, it must follow the same leasing process as the State does, including advertising, sealed bids, etc.

La. R.S. 30:158 provides that, if a mineral lease given by an agency of its own property is not approved by the Mineral and Energy Board, it is an absolutely void lease.

Pursuant to the above statutory authority, listed below are leases given by state agencies and submitted for State Mineral and Energy Board approval. The staff examines the documents submitted to make sure that the agency follows all of the steps this office goes through in leasing State owned acreage and that the document has been properly notarized.

B. STATE LEASE TRANSFERS
MARCH 12, 2014

La. R.S. 30:128 (A) provides that no transfer or assignment in relation to any lease of minerals or mineral rights owned by the state shall be valid unless approved by the State Mineral and Energy Board. Additionally, transfers or assignments shall not be granted to prospective leaseholders that are not currently registered with the office of mineral resources.

This section deals with such transfers of interest in state mineral leases in the form of assignments of rights, subleases, and stipulations of interest. It also deals with transfers such as mergers or changes of names, which act as an assignment of interest to the newly named or emerging entity from a merger. Accompanying each of the items submitted in this section was an Ownership Transfer Form (formerly called a Form B) listing the pre- transfer ownership interest in the lease and the post- transfer ownership interest. Each document is carefully checked by the staff to ensure that the interest transfer figures are consistent, that our ownership records are complete and that all form requirements are met.
