The description is based on information provided by the State Agency regarding location and ownership of surface and mineral rights. All bearings, distances and coordinates, if applicable, are based on Louisiana Coordinate System of 1927, (North or South Zone).

NOTE: The above description of the Tract nominated for lease has been provided and corrected, where required, exclusively by the nomination party. Any mineral lease selected from this Tract and awarded by the Louisiana State Mineral and Energy Board shall be without warranty of any kind, either express, implied, or statutory, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. Should the mineral lease awarded by the Louisiana State Mineral and Energy Board be subsequently modified, cancelled or abrogated due to the existence of conflicting leases, operating agreements, private claims or other future obligations or conditions which may affect all or any portion of the leased Tract, it shall not relieve the Lessee of the obligation to pay any bonus due thereon to the Louisiana State Mineral and

Energy Board, nor shall the Louisiana State Mineral and Energy Board be obligated to refund any consideration paid by the Lessor prior to such modification, cancellation, or abrogation, including, but not limited to, bonuses, rentals and royalties.

NOTE: This lease shall be for a minimum bonus of \$1000 per acre and a minimum royalty of twenty (20%) percent.

NOTE: This lease shall be for a primary term of two (2) years.

NOTE: After the original term of the lease, production from the leased premises, or from land unitized or pooled therewith, shall only maintain this Lease as otherwise provided herein and from the surface of the earth of one hundred (100') feet below the deepest then producing formation drilled by Lessee; after the primary term has expired, the Lease shall terminate as to all deeper strata. Lessee shall execute a recordable release as to such released depths upon Lessor's request.

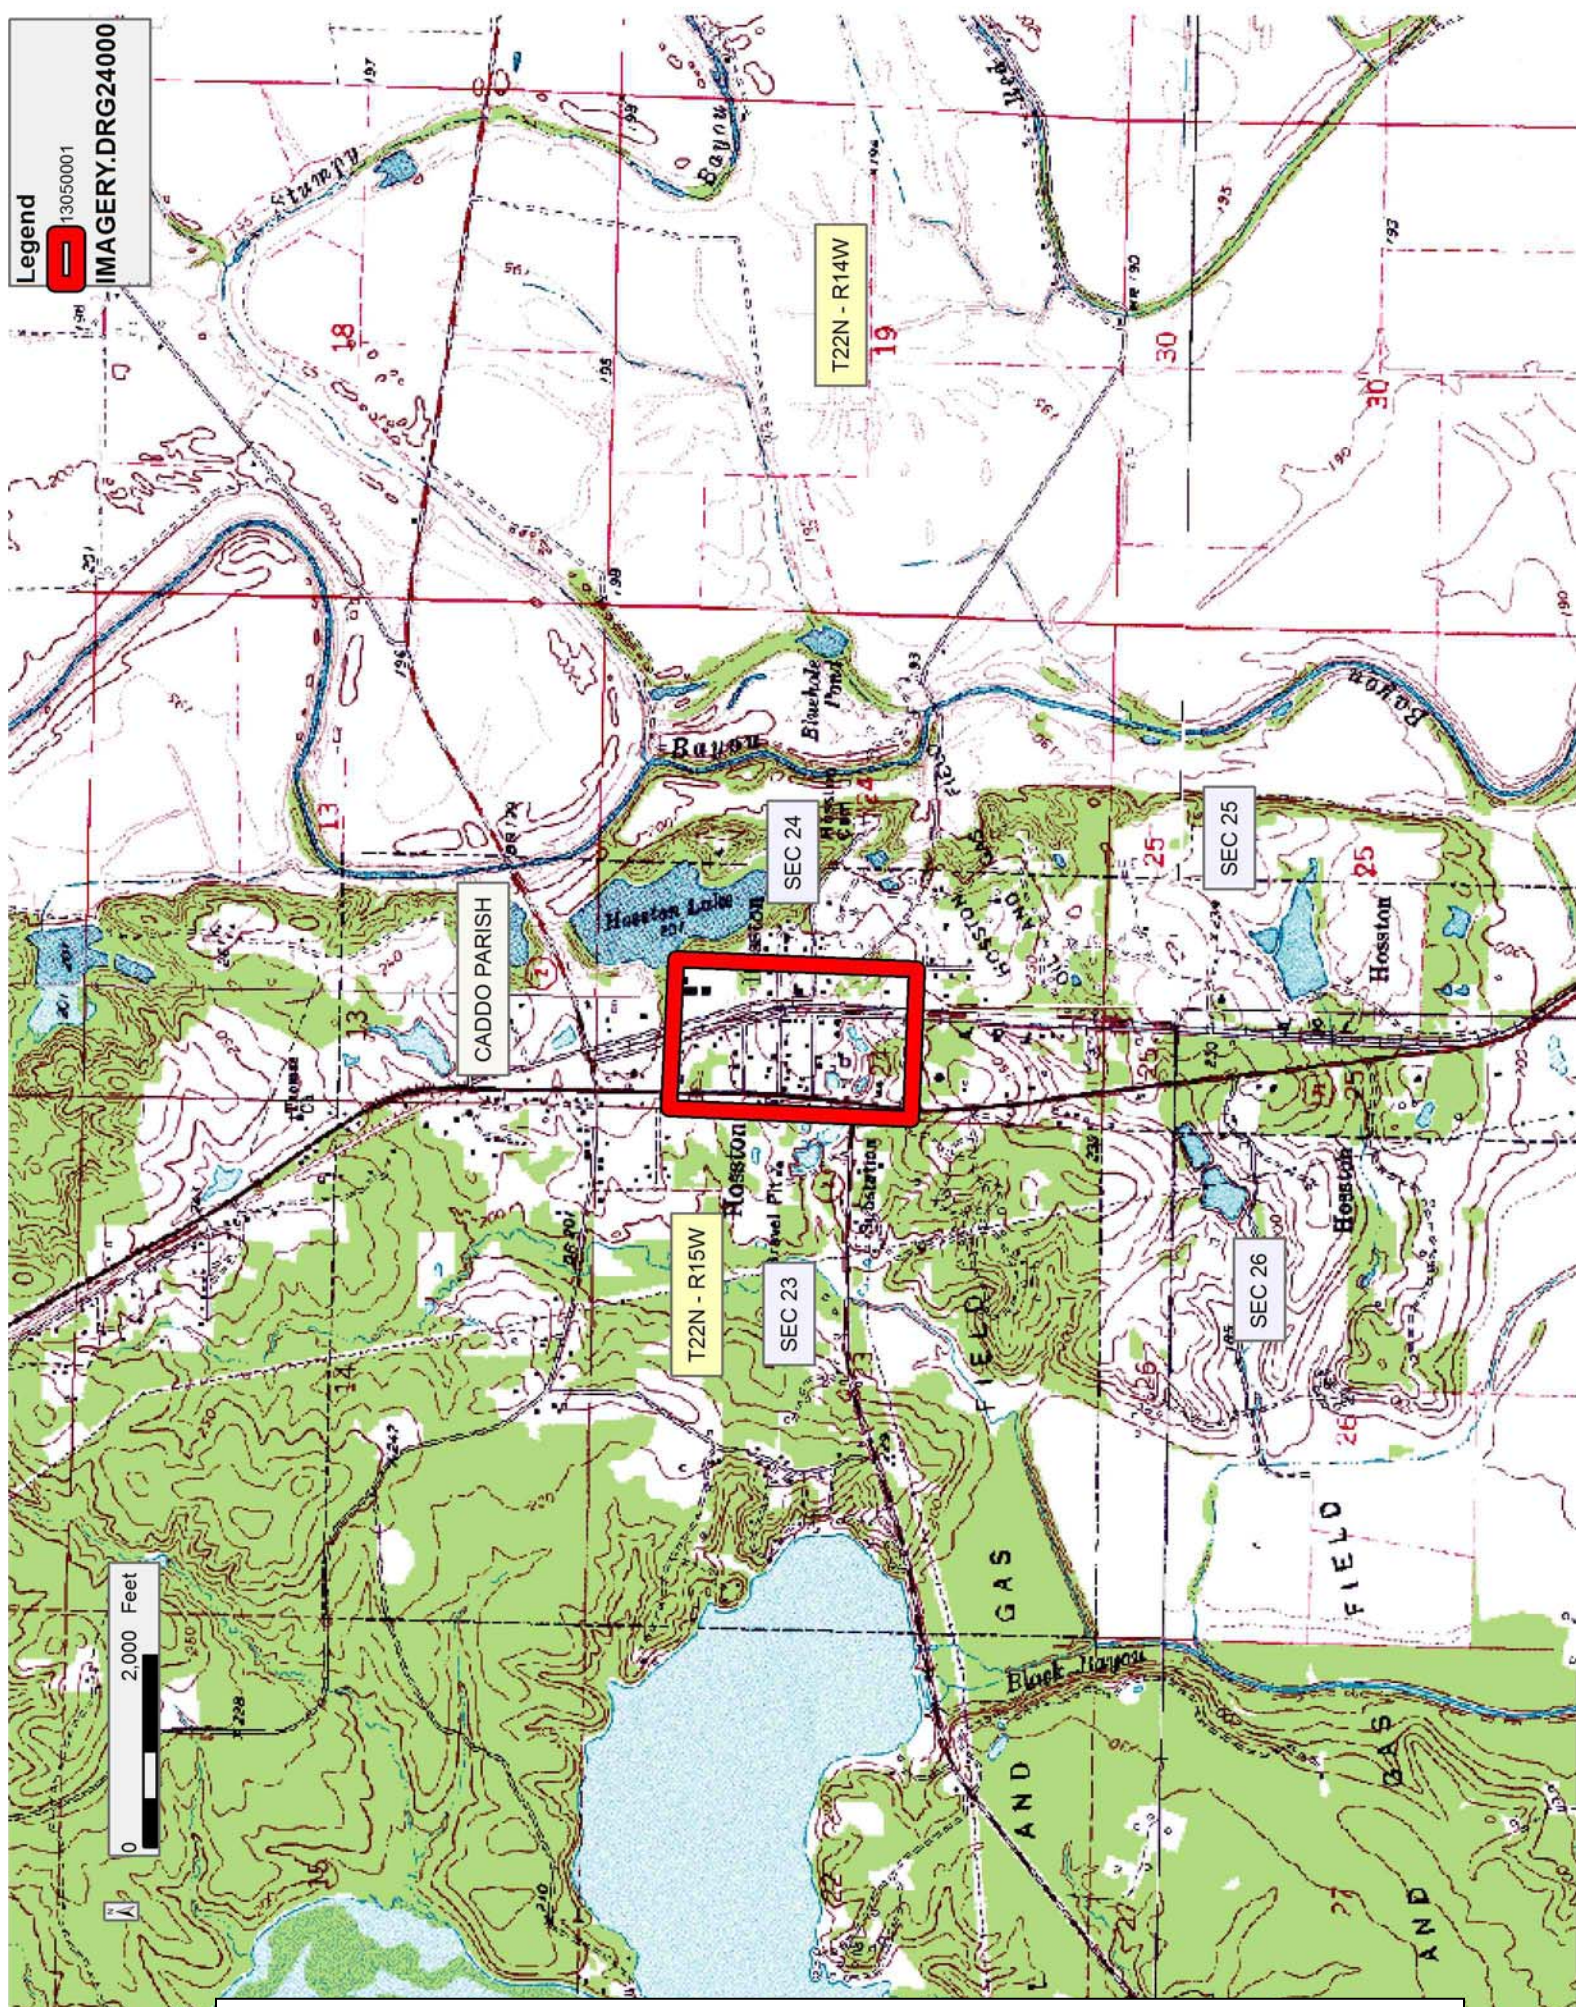

NOTE: As long as Caddo Parish School Board owns the surface of the leased premises: (1) No actual wells or excavations will be located on, or drilled on, or mined on, or drilling or mining operations conducted and development on the property. (2) No pipelines, tank batteries or other facilities and equipment associated with oil, mineral or gas exploration and development will be placed on the property. (3) Caddo Parish School Board shall receive fair market value for merchantable timber removed or destroyed in conducting operations on any tract leased. (4) Any oil, mineral or gas development and/or exploration under the provisions of the lease shall not interfere, hinder or disrupt the educational program or activities under the direction of Caddo Parish School Board; and (5) Property may be pooled with other lands with the provisions of 1 and 2 above applicable.

NOTE: This lease is granted without warranty of any kind or nature, express, implied or statutory, not even as to the return of any monies or benefits received under any of the terms hereof, but with full subrogation of all rights of warranty to which Lessor may be entitled.
