Baton Rouge, LA 70821-2827

RE: Proposed Changes to State Lease Form

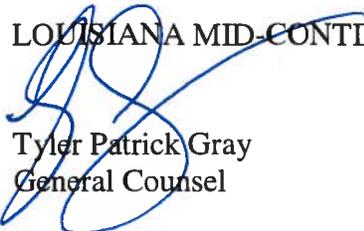

Messrs Heck and Falcon:

Thank you for allowing the Louisiana Mid-Continent Oil and Gas Association (“LMOGA”) the opportunity to comment on the Office of Mineral Resources, Department of Natural Resources (“OMR”) proposed revisions to the current state lease form. First, we echo and support the comments submitted by Louisiana Oil and Gas Association (“LOGA”). Second, based on these comments, we formally request an extension 1) to submit comments and 2) for the State Mineral and Energy Board to finalize the proposed lease form. To adequately review industry comments, and potentially change the proposed lease form, OMR will require more than two business days to analyze LMOGA’s input. Thus, LMOGA formally requests an extension so OMR can process our comments.

LMOGA welcomes further review and dialogue with OMR personnel in light of the significant impact the proposed changes may have on industry. Should you have any questions regarding the written comments of LMOGA or desire to meet with LMOGA representatives regarding the effect of the proposed changes, please do not hesitate to contact me at (225) 387-3205.

Respectfully,

LOUISIANA MID-CONTINENT OIL & GAS ASSOCIATION

Tyler Patrick Gray
General Counsel
