

# **Registration Notice to all Prospective and Current Leaseholders of the Office of Mineral Resources**

## **Update your Registration Information during the month of January**

Please remember to update your registration with the Office of Mineral Resources. In accordance with LA Statute 30:123.1, all current and prospective leaseholders of the Office of Minerals must be registered and update their information each year during the month of January. Failure to register shall subject a required party to a penalty of \$100 per day from January 31 until the date of registration. Please contact Brian Jackson at (225) 219-9753 for questions concerning registration.
