LOUISIANA OIL AND GAS: FROM SONRIS TO SUNSET

The Louisiana Department of Natural Resources is proud to host the 5th annual oil and gas conference which allows attendees the opportunity to meet and interact with personnel from various state agencies and other

knowledgeable representatives of the oil and gas industry. The purpose of this conference is to share invaluable information in an effort to ease the process of conducting the business of oil and gas in Louisiana. Attendees are encouraged to ask questions during the scheduled sessions. The speakers are extremely knowledgeable in all aspects of the oil and gas industry and Louisiana rules and regulations. Informational tables with access to **SONRIS** and **SONRIS** experts will be available to assist with questions concerning the utilization of this unique program during the conference.
