1 GENERAL INFORMATION

1.1 Purpose and Background
This Request for Proposal (RFP) is issued by the Coastal Protection and Restoration Authority (CPRA) (herein referred to as the State) for the purpose of providing professional land services for the CPRA for coastal protection and restoration projects on a project-by-project basis throughout the coastal parishes of Louisiana.

Additional information regarding the purpose and background of this RFP can be found in Attachment I: Scope of Services.

1.2 Scope of Services
Attachment I details the scope of services and deliverables or desired results that the State requires of the Contractor.

1.3 Blackout Period
The Blackout Period is a specified period of time during a competitive procurement process in which any proposer, bidder, or its agent or representative, is prohibited from communicating with any state employee or contractor of the State involved in any step in the procurement process about the affected procurement. The Blackout Period shall apply not only to state employees, but also to any contractor of the State. “Involvement” in the procurement process shall include but shall not be limited to project management, design, development, implementation, procurement management, development of specifications, and evaluation of proposals for a particular procurement. All solicitations for competitive procurements will identify a designated contact person. The Blackout Period will begin upon posting of the solicitation. The Blackout Period will end when the contract(s) are awarded.

In those instances in which a prospective vendor is also an incumbent vendor, the State and the incumbent vendor shall contact each other with respect to the existing contract only. Under no circumstances shall the State and the incumbent vendor and/or its representative(s) discuss the blacked-out procurement.

Any bidder, proposer, or state Contractor who violates the Blackout Period may be liable to the State in damages and/or subject to any other remedy allowed by law.

Notwithstanding the foregoing, the Blackout Period shall not apply to:

1. A protest to a solicitation;
2. Duly noticed site visits and/or conferences for bidders or proposers;
3. Oral presentations during the evaluation process; or
4. Communications regarding a particular solicitation between any person and staff of the procuring agency provided the communication is limited strictly to matters of procedure. Procedural matters shall include deadlines for decisions or submission of proposals and the proper means of communicating regarding the procurement, but shall not include any substantive matter related to the particular procurement or requirements of the RFP.

The State reserves the right to seek clarification of any proposal for the purpose of identifying and eliminating minor irregularities or informalities.

6.4 Oral Presentations/Discussions May be Required

<table>
<thead>
<tr>
<th>CRITERIA</th>

</tr>
</thead>
<tbody>
<tr>
<td>1. Approach and Methodology</td>
<td>30</td>

</tbody>
</table>

**Cost Evaluation:**

Cost ratings (CR) will be determined using the following formula:

For cost evaluation purposes, all hourly rates shall be averaged. The proposer with the lowest personnel fee schedule average (LPFSA) will receive 30 points. All other proposals will be rated by multiplying the maximum possible points (30) by a fraction that consists of the lowest cost as numerator and cost proposal (CP) being evaluated as denominator. \( CR = (LPFSA/CP*30) \)

The Proposal Review Committee will compile the scores and make a recommendation to the head of the agency on the basis of the responsive and responsible proposer(s) with the highest score.

6.5.1 Veteran-Owned and Service-Connected Small Entrepreneurships (Veteran Initiative) and Louisiana Initiative for Small Entrepreneurships (Hudson Initiative) Programs Participation

Ten percent (10%) of the total evaluation points on this RFP are reserved for proposers who are themselves a certified Veteran or Hudson Initiative small entrepreneurship or who will engage the participation of one or more certified Veteran or Hudson Initiatives small entrepreneurship subcontractors. Reserved points shall be added to the applicable proposer’s evaluation score as follows:

**Proposer Status and Reserved Points**

- Proposer is a certified small entrepreneurship: Full amount of the reserved points
• Proposer is not a certified small entrepreneurship but has engaged one or more certified small entrepreneurship(s) to participate as subcontractors or distributors. Points will be allocated based on the following criteria:
  - The number of certified small entrepreneurship(s) to be utilized
  - The experience and qualifications of the certified small entrepreneurship(s)
  - The anticipated earnings to accrue to the certified small entrepreneurship(s)

6.6 Announcement of Contractor

The Proposal Review Committee will compile the scores and make a recommendation to the head of the agency on the basis of the responsive and responsible proposers with the highest scores. Up to 6 contracts may be awarded, based upon the highest scoring proposals.

The State will notify the successful Proposer(s) and proceed to negotiate terms for final contract. Unsuccessful proposers will be notified in writing accordingly.

The proposals received (except for that information appropriately designated as confidential in accordance with R.S. 44.1 et seq), selection memorandum along with list of criteria used along with the weight assigned each criteria; scores of each proposal considered along with overall scores of each proposal considered, and a narrative justifying selection shall be made available, upon request, to all interested parties after the “Notice of Intent to Award” letter has been issued.

Any proposer aggrieved by the proposed award has the right to submit a protest in writing to the head of the agency issuing the proposal within 14 calendar days after the award has been announced by the agency.

The award of a contract is subject to the approval of the Division of Administration, Office of Contractual Review.

   During the performance of this contract, the Contractor agrees as follows:

   A. The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

   B. The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration without regard to race, color, religion, sex, or national origin.

   C. The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided by the Contract Compliance Officer advising the said labor union or workers' representatives of the Contractor's commitment under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

   D. The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, as amended, and the rules, regulations, and relevant orders of the Secretary of Labor.

   E. The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, as amended, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the Department and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and others.

   F. In the event of the Contractor's noncompliance with the non-discrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be cancelled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, as amended, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

   G. The Contractor will include the provisions of the sentence immediately preceding paragraph A and the provisions of paragraphs A through G in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, as amended, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the Department may direct as a means of enforcing such provisions, including sanctions for noncompliance.
however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the Department, the Contractor may request the United States to enter into such litigation to protect the interest of the United States.

He/she certifies further that he/she will not maintain or provide for employees any segregated facilities at any of his/her establishments, and he/she will not permit employees to perform their services at any location under his/her control where segregated facilities are maintained. The bidder, offeror, applicant or subcontractor agrees that a breach of this certification is a violation of the equal opportunity clause of this contract.

   As used in this certification, the term "segregated facilities" means any waiting rooms, work areas, rest rooms and wash rooms, restaurants and other eating areas, time clocks, locker rooms, and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation and housing facilities provided for employees which are segregated by explicit directive or are, in fact, segregated on the basis of race, color, religion, or national origin because of habit, local custom, or any other reason.

   He/she further agrees that (except where he/she has obtained for specific time periods) he/she will obtain identical certification from proposed subcontractors prior to the award of subcontracts exceeding $10,000 which are not exempt from the provisions of the equal opportunity clause; that he/she will retain such certifications in his/her files; and that he/she will forward the following notice to such proposed subcontractors (except where proposed subcontractors have submitted identical certifications for specific time periods).
