 - Highlight the page by clicking on the upper leftmost corner
 - above "1" and beside "A"
 - Choose "Edit" in the menu
 - Choose "Copy."
- Return to the blank worksheet by clicking on the "TAB" at the bottom that says "Sheet1."
 - Choose "Edit" in the menu

You now have the blank saved for future use, and the projects saved with its own filename. If the file size is too large to e-mail, split it into a couple of files and e-mail each individually. The normal e-mail size limitation is about 500 KB. If you have any questions please call the Permits Section Manager at (225) 342-5400.
