Re: Y-2 Zone, Reservoir B  
North DeQuincy Field  
Calcasieu Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **KERR-MCGEE OIL & GAS ONSHORE, L.L.C.** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of orders pertaining to the following matters relating to the Y-2 Zone, Reservoir B, in North DeQuincy Field, Calcasieu Parish, Louisiana:

1. To establish rules and regulations and to create a single drilling and production unit for the exploration for and production of gas and condensate from the Y-2 Zone, Reservoir B, in North DeQuincy Field, Calcasieu Parish, Louisiana, said unit to be designated Y-2 RB SUA, as shown on the plat attached hereto and made a part hereof.
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within each of the proposed units with each tract sharing in unit production on a surface acreage basis of participation.
3. To provide that any future wells drilled to the Y-2 Zone, Reservoir B, should be located in accordance with the spacing provisions of LAC 43:XIX.1901 et seq (Statewide Order No. 29-E).
4. To provide that the Commissioner of Conservation should be authorized to reclassify the Y-2 Zone, Reservoir B, by supplemental order without the necessity of a public hearing if the producing characteristics of the reservoir changes and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.

April 19, 2004

5. To consider such others matters as may be pertinent.

The Y-2 Zone in the North DeQuincy Field, Calcasieu Parish, Louisiana, was previously defined in Office of Conservation Order No. 1462, effective January 7, 2003.

Pertinent data, including well logs, may be obtained **AT THE COST OF THE REQUESTING PARTY** from Jim Hardwick, Cutright & Hardwick, P. O. Box 51783, Lafayette, LA 70505, Telephone No. (337) 232-7756.

Pursuant to the Revised Rules of Procedure, a pre-application conference was held in Lafayette, Louisiana, on April 19, 2004, at which the parties named on the attached list were in attendance. The conference was opened by representatives of the applicant who explained the bases for the applicant's proposal. David Sturlese, representing the Cooper Family, presented a counterplan, suggesting a somewhat larger unit of approximately 320 acres. Differences between the parties could not be resolved. The meeting was then adjourned. Further discussions with the represented parties are planned in the hope that all differences can be resolved prior to hearing.

Attached hereto and made a part hereof is a plat, along with the conference attendance list and a list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being mailed. Pursuant to the Revised Rules of Procedure, such plat (being the same plat attached to the notice dated March 26, 2004) and list of parties are being furnished only to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation; however, the plat and/or the list of parties will be furnished to any party requesting copies. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed is our check on behalf of the applicant, in the amount of \$755.00, made payable to the Office of Conservation representing the required hearing application fee.

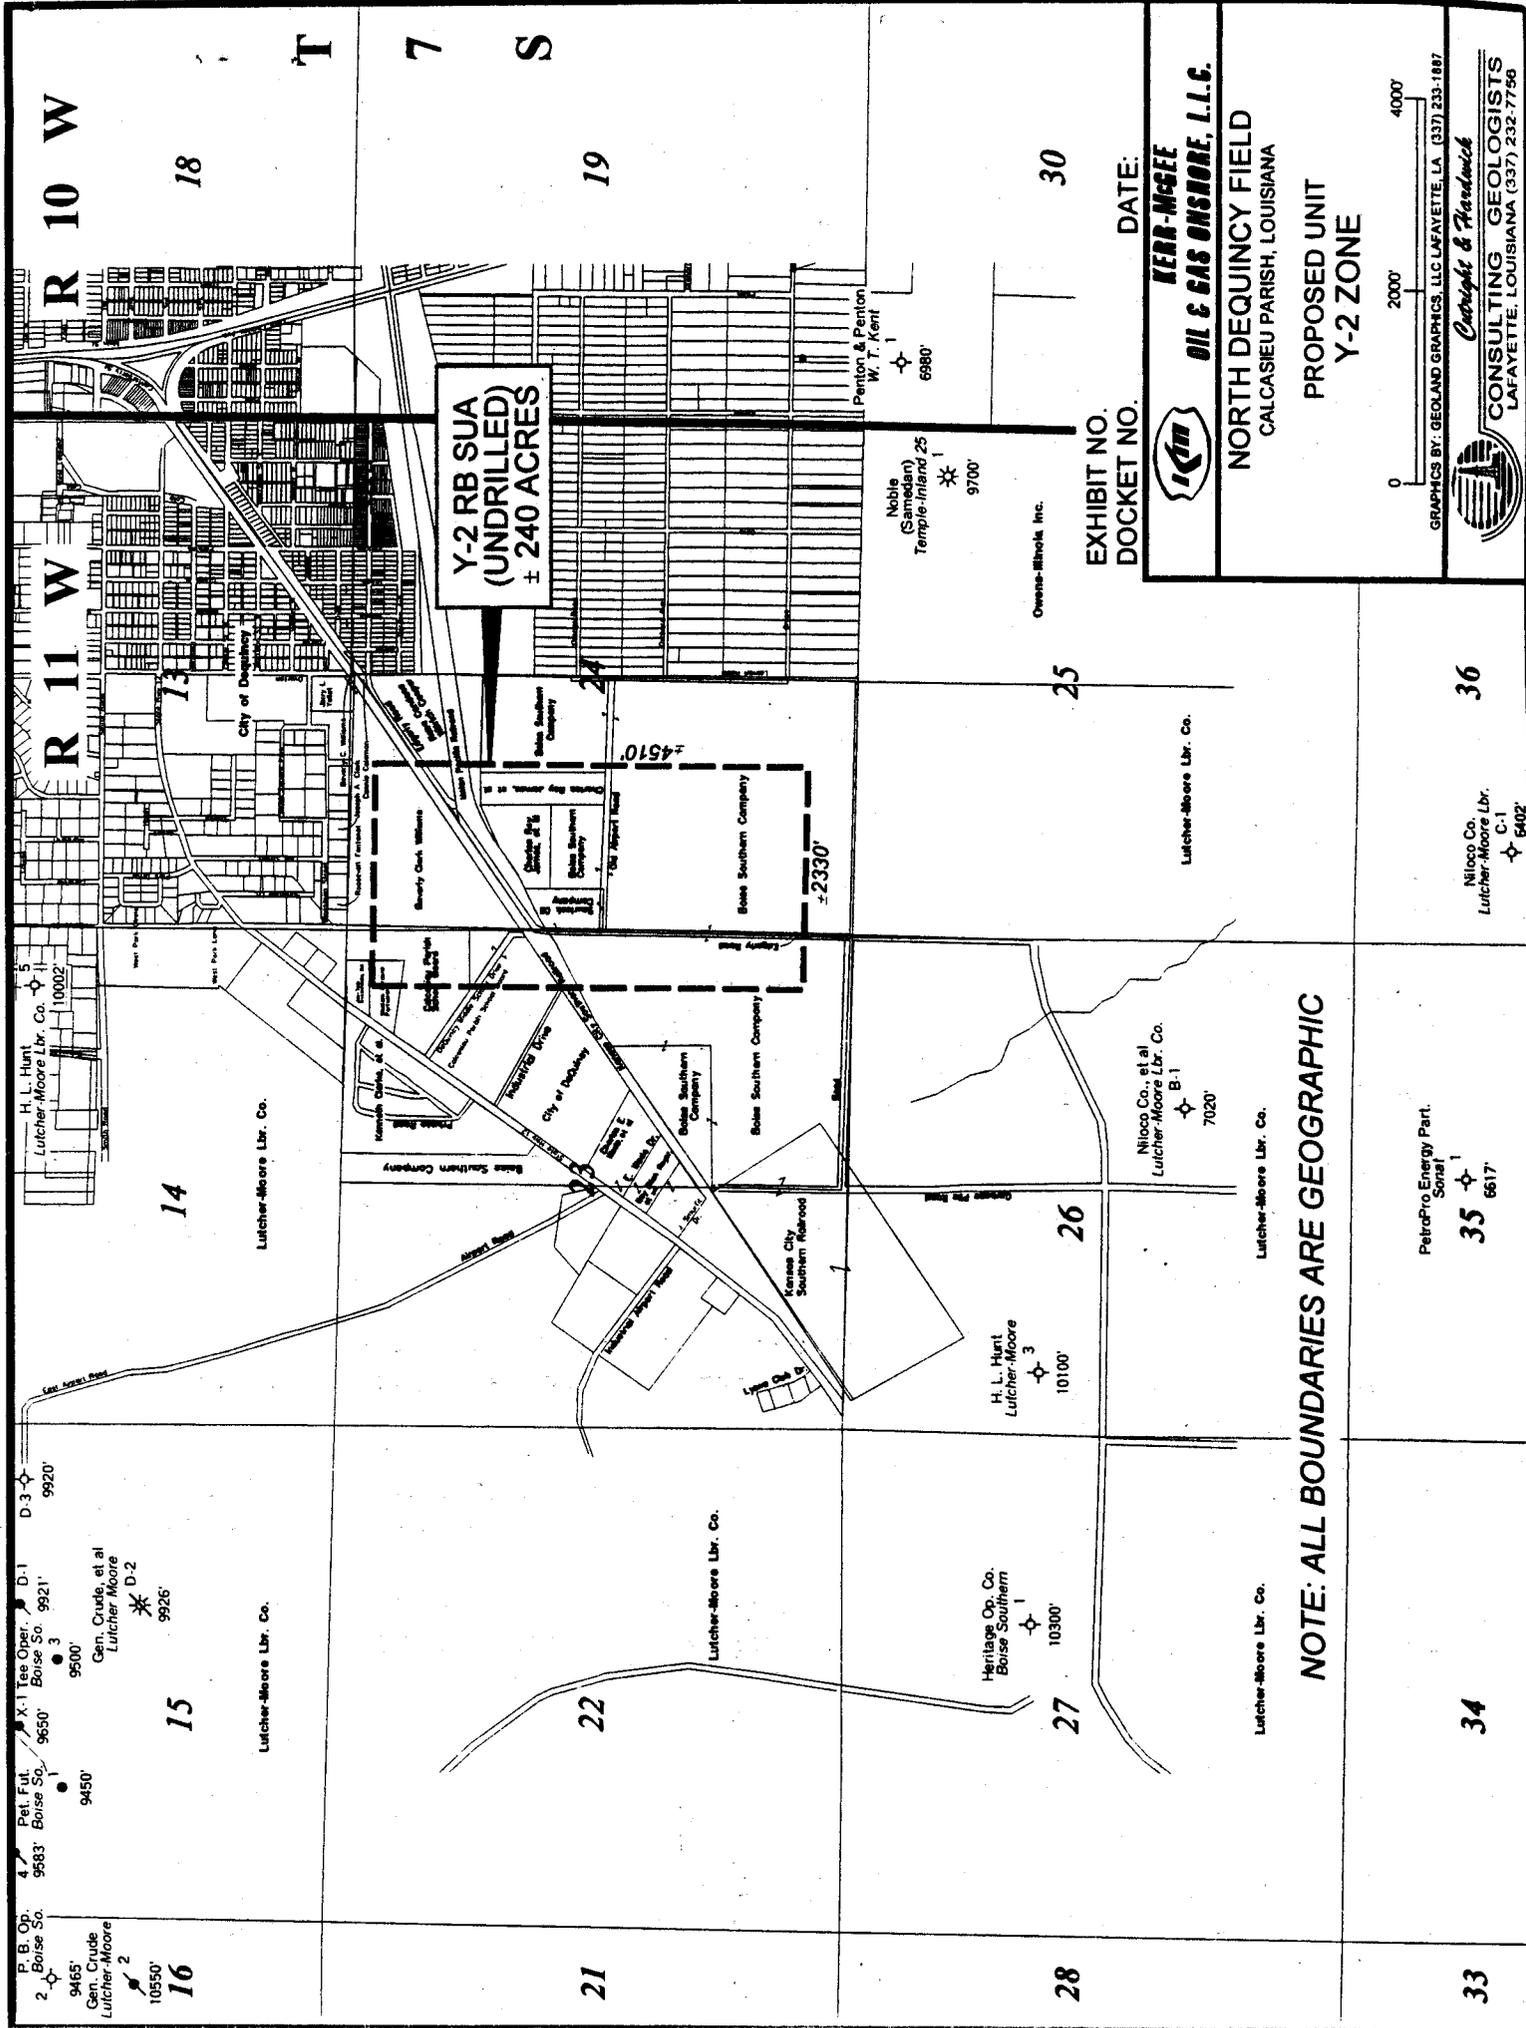

Very truly yours,

Richard W. Revels, Jr.
