RE: Proposed Substitute Unit Well  
Miogyp Sand  
**DORCYVILLE FIELD**  
Iberville Parish, Louisiana

Dear Sir:

Application is hereby made on behalf of Okie Operating Company, Ltd., for the calling of a public hearing, after ten (10) days legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the Miogyp RB SUC, in the Dorcyville Field, Iberville Parish, Louisiana, for which a unit was established and rules and regulations adopted by Office of Conservation Order No. 1275-A-4, effective November 30, 1999.

1. To authorize and permit Okie Operating Company, Ltd. to designate their Wayne Martin No. 1 Well as a substitute unit well for the Miogyp RB SUC, with a location as shown on the plat which is attached hereto and made a part hereof.
2. Except as may be in conflict with the provisions hereof, the provisions of the Office of Conservation Order No. 1275-A-4 shall remain in full force and effect.
3. To consider such other matters as may be pertinent to this application.

The Okie Operating Company, Ltd. - S/L 14720 No. 2 Well (S.N. 221871), the present unit well, has ceased to produce, therefore, the proposed substitute unit well is necessary to recover hydrocarbons within the existing unit which would otherwise be lost.

The Miogyp Sand, Reservoir B, in the Dorcyville Field, Iberville Parish, Louisiana, was fully defined in Office of Conservation Order No. 1275-A-4, effective November 30, 1999.

There is attached hereto and made a part hereof a plat outlining the subject unit created by Conservation Order No. 1275-A-4, along with the location of the proposed substitute unit well. Pursuant to the Revised Rules of Procedure, a list of names and addresses of the Interested Owners, Interested Parties and Represented Parties to whom this application is being sent is being furnished only to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation. However, the list will be provided to any party requesting a copy. A diligent effort was made to ascertain the names and addresses of all Interested Owners, Interested Parties and Represented Parties as required by the Revised Rules of Procedure.

Finally, there is enclosed our check on behalf of the applicant, Okie Operating Company, Ltd., in the sum of \$755.00 payable to the Office of Conservation and representing the required hearing application fee.

Sincerely,

LEON E. COMEAUX & ASSOCIATES

David Comeaux
