Re: 19,800' Tuscaloosa Sand, Reservoir B
False River Field
Pointe Coupee Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **BP AMERICA PRODUCTION COMPANY** for the calling of a public hearing, after ten (10) days legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the 19,800' Tuscaloosa Sand, Reservoir B, in the False River Field, Pointe Coupee Parish, Louisiana, for which rules and regulations were established and drilling and production units were created for the exploration for and production of gas and condensate by Office of Conservation Order No. 968, effective January 28, 1976, as amended and supplemented by the 968-A Series of Office of Conservation Orders, including the unit designated 19800 TUSC RB SUS:

1. To permit the applicant to drill, designate and utilize its Ingleside No. 1 Well as substitute unit well for the 19800 TUSC RB SUS, said well located as shown on the plat attached hereto, in exception to the spacing provisions of Office of Conservation Order No. 968 and the 968-A Series of Office of Conservation Orders.
2. To find that the proposed substitute unit well at the location shown on the attached plat is necessary to efficiently and economically drain a portion of the reservoir

covered by the unit in which it is situated which cannot be so drained by any existing well within such unit.

3. Except to the extent contrary herewith, to continue in full force and effect the provisions of Office of Conservation 968, as amended and supplemented by the 968-A Series of Office of Conservation Orders, the units created thereby, and applicable Statewide Orders.
4. To consider such other matters as may be pertinent.

The 19,800' Tuscaloosa Sand, Reservoir B, in False River Field, Pointe Coupee Parish, Louisiana, was previously defined in Office of Conservation Order No. 968-A-6, effective May 15, 1979.

The existing unit well has gone off production. The applicant is therefore requesting permission to drill, designate and utilize its Ingleside No. 1 Well as substitute unit well for the 19800 TUSC RB SUS, in exception to the spacing provisions of Office of Conservation Order No. 968 and the 968-A Series of Office of Conservation Orders.

Attached hereto and made a part hereof is a plat outlining the applicant's proposal along with a list of the names and addresses of the Interested Owners, Represented Parties and Interested Parties to whom a copy of this application is being sent. Pursuant to the Revised Rules of Procedure, the list of parties is being furnished only to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation; however, the list of parties will be provided to any party requesting a copy of it. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Interested Parties and Represented Parties.

Finally, enclosed is our check on behalf of the applicant in the amount of \$755.00 **made payable to the Office of Conservation** and representing the required hearing application fee.

Very truly yours,

Richard W. Revels, Jr.
