Re: 8500 Zone, Reservoir E SUA
FAUSSE POINT FIELD
Iberia Parish, Louisiana

Dear Mr. Welsh:

Application is hereby made on behalf of **CYPRESS PRODUCTION, INC.**, for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the 8500 Zone, Reservoir E, in the Fausse Point Field, Iberia Parish, Louisiana.

8500 ZONE, RESERVOIR E SUA

1. To establish rules and regulations governing the exploration for and production of oil and gas from the 8500 Zone, Reservoir E, in Fausse Point Field, Iberia Parish, Louisiana.
2. To create a single drilling and production unit for the 8500 Zone, Reservoir E SUA, designated as the 8500 RE SUA, as depicted on the plat attached hereto.
3. To force pool and integrate all separately owned tracts and mineral leases or other property interests within the unit so created with each tract sharing in unit production on a surface-acre basis of participation.
4. To provide that any future wells drilled within the 8500 Zone, Reservoir E and that any existing well located outside the boundaries of the 8500 Zone, Reservoir E shall be exempt from the spacing provisions of Statewide Order 29-E.
5. To provide for the future reclassification of the reservoir without the necessity of a public hearing, if such reclassification becomes necessary due to a change in production characteristics of the reservoir.
6. To consider such other matters as may be relevant to this application.

The 8500 Zone in Fausse Point Field is defined as that oil and gas bearing zone encountered between the electrical log depths of 8,016 feet MD and 8,350 feet MD in the Texaco, Inc. – Kling-Walet No. 11 Well, located in Section 27, Township 11 South, Range 8 East, Iberia Parish, Louisiana.

In addition to furnishing the legal notice to all Interested Parties, the applicant will provide for POSTING of the legal notice of the hearing and unit plat in a prominent place in the area of the Fausse Point Field, Iberia Parish, Louisiana, and will cause the legal notice of the hearing to be PUBLISHED in a newspaper of general circulation published in the vicinity of the Fausse Point Field, Iberia Parish, Louisiana, at least fifteen (15) days before the hearing date.

All pertinent data available to the applicant and relating to the proposed units may be obtained AT THE COST OF THE REQUESTING PARTY from James F. Hardwick & Associates, Post Office Box 80972, Lafayette, Louisiana 70598; telephone number (337) 232-7756.

Pursuant to the revised rules of procedure, a pre-application conference was held on July, 7, 2005, in Lafayette, Louisiana, at which the parties named on the attached list were in attendance. The conference was opened by representatives of the applicant who explained the bases for the unit being proposed. Questions were asked and answered. A counterplan was presented by a working interest representative. The conference was adjourned without a resolution of differences. Subsequent to the conference a resolution of differences resulted in the compromise plan being filed with the application. No opposition is expected at this time at the hearing to be scheduled in this matter

Attached hereto and made a part hereof is a revised plat outlining the applicant's proposal along with the conference attendance list and a list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being mailed. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished only to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation; however the list of parties will be furnished to any party requesting copies. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties, and Interested Parties.

Finally, enclosed is our check on behalf of the applicant, in the amount of \$755.00 made payable to the Office of Conservation and representing the required hearing application fee.

Yours very truly,

James F. Hardwick
Consulting Geologist
