RE: 13,250' Sand, Reservoir B
DEEP LAKE FIELD
Cameron Parish, Louisiana

Dear Sir:

Application is hereby made on behalf of Aspect Energy, LLC to the Commissioner of Conservation for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the 13,250' Sand, Reservoir B, in the Deep Lake Field, Cameron Parish, Louisiana.

1. To establish rules and regulations governing the exploration for and production of gas and condensate from the 13,250' Sand, Reservoir B, in the Deep Lake Field, Cameron Parish, Louisiana.
2. To create a single drilling and production unit for this sand and to force pool and integrate all separately owned tracts, mineral leases and other property interests within the unit so created.
3. To designate a unit operator and a unit well for the unit so created.
4. To provide that any well drilled outside of the 13,250' Sand, Reservoir B, shall be in accordance with the spacing provisions of Statewide Order No. 29-E.
5. To provide that the Commissioner may reclassify the Reservoir by supplemental order and without the necessity of a public hearing should such reclassification be warranted, based on evidence furnished the Commissioner.
6. To discuss any other matters that may be pertinent to this application.

The 13,250' Sand, in the Deep Lake Field, Cameron Parish, Louisiana, was previously defined in Office of Conservation Order No. 243-K, effective January 16, 1991.

In addition to furnishing the legal notice to all Interested Parties, the applicant will provide for POSTING of the legal notice of the hearing and unit plat in a prominent place in the area of the Deep Lake Field, Cameron Parish, Louisiana, and will cause the legal notice of the hearing to be PUBLISHED in a newspaper of general circulation published in the vicinity of the Deep Lake Field, Cameron Parish, Louisiana, at least fifteen (15) days before the hearing date.

Any pertinent data relating to the subject application can be obtained, **AT THE COST OF THE REQUESTING PARTY**, from Cambe Geological Services, Inc., 6300 Westpark, Suite 400, Houston, Texas 77057 (713-659-8363).

In compliance with the Rules of Procedure, a preapplication conference was held in Lafayette, Louisiana, on October 5, 2005, at which the parties named on the attached list were in attendance.

The conference was opened with a discussion by Mr. Bill McAlister, representing Aspect Energy, LLC, concerning the nature and purpose of the conference and the bases for the applicant's proposed unit.

Mr. David Sturlese, representing Hebert and Bonsall, presented a counterplan which went slightly further south than the applicant's. All parties who attended the conference have expressed that they would not object to southern enlargement of the applicant's proposal, therefore, differences have been resolved and a revised plat is enclosed herewith.

There are attached hereto and made a part hereof a revised plat outlining the proposed unit, the conference attendance list, and a list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom this application is being sent. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished **ONLY** to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation. However, said list of parties will be provided to any party requesting a copy. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, there is enclosed our check on behalf of the applicant, Aspect Energy, LLC in the sum of \$755.00 payable to the Office of Conservation and representing the required hearing application fee.

Sincerely,

LEON E. COMEAUX & ASSOCIATES

Bill McAlister, Jr.
