APPLICATION

Honorable James H. Welsh
Commissioner of Conservation
State of Louisiana
P. O. Box 94275
Baton Rouge, Louisiana 70804-9275

Re: Bolivina Mexana RC SUA
Crowley Field
Acadia Parish, Louisiana

Dear Commissioner Welsh

Application is made on behalf of **HILLIARD PETROLEUM, INC.** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of orders pertaining to the following matters relating to the **Bolivina Mexana Sand, Reservoir C**, for the establishment of rules and regulations and the creation of a single drilling and production unit for the exploration for and production of gas and condensate from the **Bolivina Mexana Sand, Reservoir C, Crowley Field, Acadia Parish, Louisiana**, said unit to be designated **BOL M RC SUA**:

1. To establish rules and regulations and create a drilling and production unit for the exploration for and production of gas and condensate in the Crowley Field, Acadia Parish, Louisiana, said unit to be designated **BOL M RC SUA**
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed units with each tract sharing in unit production on a surface acre basis of participation.
3. To designate Hilliard Petroleum, Inc., operator of the proposed unit.
4. To designate a unit well for the proposed unit.
5. To provide that any future wells drilled to the unit proposed herein should be located in accordance with the spacing provisions of Statewide Order No. 29-E.
6. To authorize the Commissioner of Conservation to reclassify the reservoir by supplemental order without the necessity of a public hearing if the producing characteristics of the reservoir changes and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.
7. To consider such other matters as may be pertinent.

The Bolivina Mexana Sand in the Crowley Field, Acadia Parish, Louisiana, was fully defined by Office of Conservation Order No. 544-M, effective June 8, 1973, as being that gas and condensate bearing sand encountered between the depths of 12,688 feet and 12,712 feet. electrical log measurements, in the McCormick-Jules Baronet, Jr. No. 1 well located in Section 10, Township 10 South, Range 1 East, Acadia Parish Louisiana.

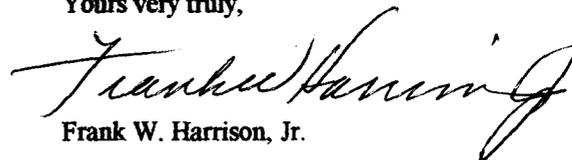

Pertinent data, including well logs, may be obtained AT THE COST OF THE REQUESTING PARTY from Frank W. Harrison, Jr., P. O. Box 51943, Lafayette, Louisiana, 70505, Telephone number (337) 232-4031.

A conference to discuss the proposed application and any opposition thereto was tentatively scheduled for 10:30 A.M. on Thursday, November 10, 2005, at the **Petroleum Club of Lafayette**, 111 Heymann Blvd., Lafayette, Louisiana. This conference was not held since a request to confer was not made to the writer, either by telephone or in writing, by an Interested Owner or Represented Party receiving a copy of this notice.

Attached hereto and made a part hereof is a plat outlining the applicant's proposal and a list of names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being sent. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished only to the Commissioner of Conservation and the District Manager of the Lafayette District of the Office of Conservation; however, the list of parties will be furnished by the undersigned to any party requesting a copy of it. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Interested Parties, and Represented Parties.

Finally, enclosed is our check on behalf of the applicant, in the amount of \$755.00, made payable to the Office of Conservation representing the required hearing application fee.

Yours very truly,

Frank W. Harrison, Jr.
