Re: Marg 7 Sand, Reservoir F  
Perry Point Field  
Acadia and Vermilion Parishes, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **DAVIS PETROLEUM CORP.** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the Marg 7 Sand, Reservoir F, in the Perry Point Field, Acadia and Vermilion Parishes, Louisiana:

1. To establish rules and regulations and to create a single drilling and production unit for the exploration for and production of gas and condensate from the Marg 7 Sand, Reservoir F, in the Perry Point Field, Acadia and Vermilion Parishes, Louisiana, said unit to be designated MARG 7 RF SUA, as shown on the plat attached hereto and made a part hereof.
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed unit with each tract sharing in unit production on a surface acreage basis of participation.
3. To provide that any wells drilled to the Marg 7 Sand, Reservoir F, should be exempt from the spacing provisions of LAC 43:XIX.1901 et seq. (Statewide Order No. 29-E).
4. To provide that the Commissioner of Conservation should be authorized to reclassify the Marg 7 Sand, Reservoir F, in the Perry Point Field by supplemental order without the necessity of a public hearing if the producing characteristics of such reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.

November 15, 2004

5. To consider such others matters as may be pertinent.

The Marg 7 Sand, in the Perry Point Field, Acadia and Vermilion Parishes, Louisiana, was previously defined in Office of Conservation Order No. 448-E-6, effective August 5, 2003.

Pertinent data, including well logs, may be obtained **AT THE COST OF THE REQUESTING PARTY** from David Comeaux, Leon Comeaux & Associates, P. O. Box 53922, Lafayette, LA 70505, Telephone Number (337) 233-9839.

Pursuant to the Revised Rules of Procedure, a pre-application conference was held on November 12, 2004, in Lafayette, Louisiana, at which the parties named on the attached list were in attendance. The conference was opened by representatives of the applicant who explained the bases for the unit being requested. Questions were asked and answered. Although some opposition to the applicant's proposal was expressed, no counterplans were presented. The conference was then adjourned.

Attached hereto and made a part hereof is a plat outlining the applicant's proposal along with the conference attendance list and a list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being mailed. Pursuant to the Revised Rules of Procedure, such plat (being the same plat attached to the pre-application notice dated October 21, 2004) and list of parties are being furnished only to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation; however, the plat and/or list of parties will be furnished to any party requesting copies. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed is our check on behalf of the applicant, in the amount of \$755.00 made payable to the Office of Conservation and representing the required hearing application fee.

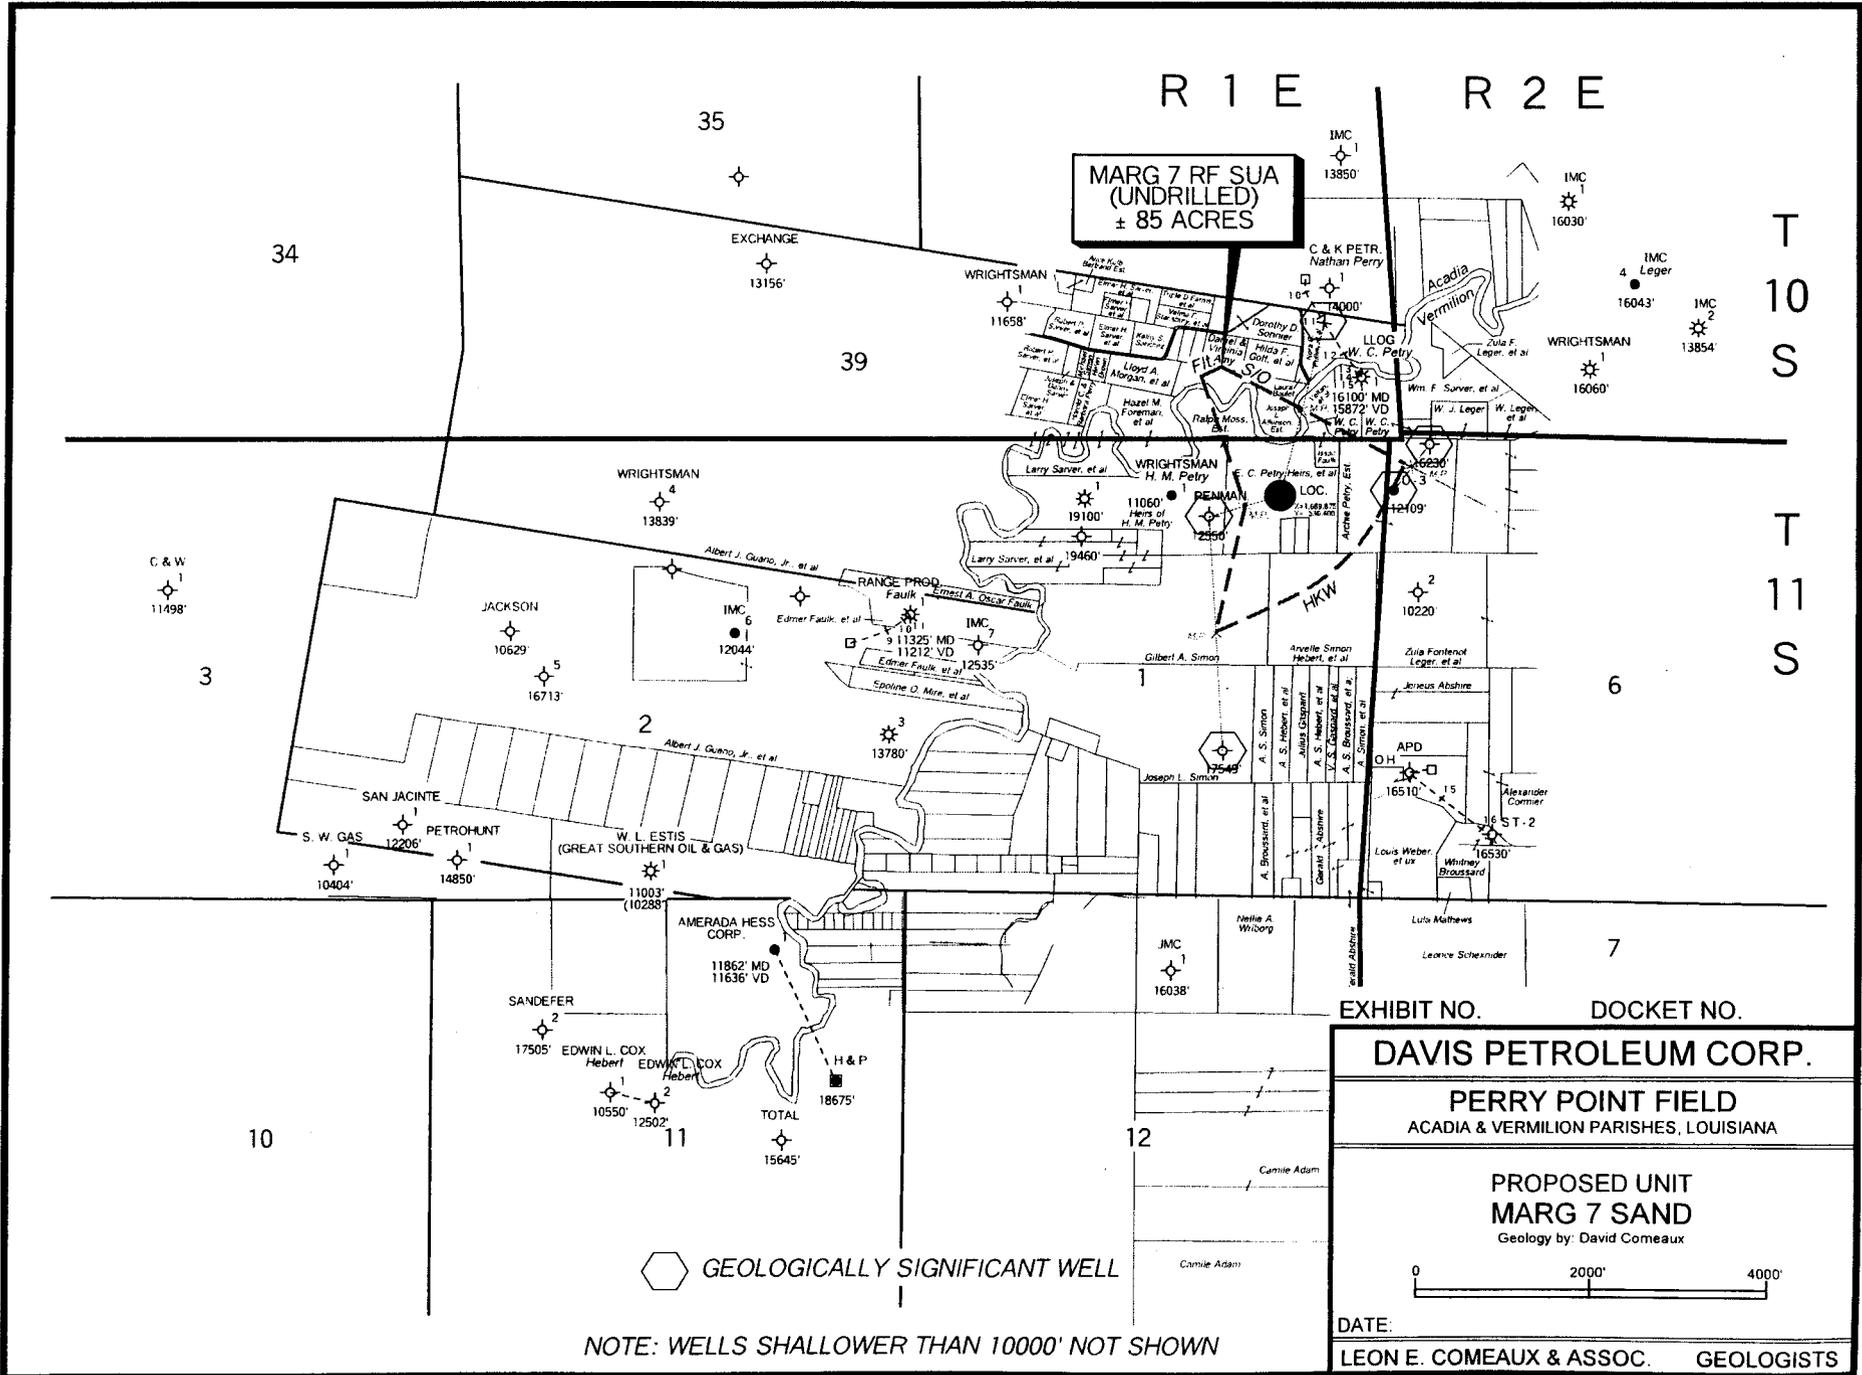

Very truly yours,

Richard W. Revels, Jr.
