Re: Application for a Public Hearing
Camerina 1 Zone RA SUA
Lower Marginulina Vaginata Sand RC SUA
Heterostegina Sand RA SUA
Crowley Field, Acadia Parish, Louisiana

Application is hereby made on behalf of **HILLIARD PETROLEUM, INC.**, for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of orders pertaining to the following matters relating to the Camerina 1 Zone, Reservoir A; the Lower Marginulina Vaginata Sand, Reservoir C; and the Heterostegina Sand, Reservoir A, in the Crowley Field, Acadia Parish, Louisiana, for the establishment of rules and regulations for single drilling and production units for the exploration for and production of oil and gas from the Camerina Zone, Reservoir A; the Lower Marginulina Vaginata Sand, Reservoir C; and the Heterostegina Sand, Reservoir A, in the Crowley Field, Acadia Parish, Louisiana, said units to be designated CAM 1 RA SUA, L MARG V RC SUA, and HET RA SUA:

1. To establish rules and regulations and create a single drilling and production unit for the exploration for and production of oil and gas in the Crowley Field, Acadia Parish, Louisiana, said unit to be designated CAM 1 RA SUA and utilize the applicant's W. Hoffpauer No. 1 well as the unit well in exception to the spacing provisions of Office of Conservation Order No. 544 Series and Statewide Order No. 29-E, located as shown on the attached plat..
2. To establish rules and regulations and create a single drilling and production unit for the exploration for and production of oil and gas in the Crowley Field, Acadia Parish, Louisiana, said unit to be designated L MARG V RA SUA and utilize the applicant's W. Hoffpauer No. 1 well as the unit well in exception to the spacing provisions of Office of Conservation Order No. 544 Series and Statewide Order No. 29-E, located as shown on the attached plat..
3. To establish rules and regulations and create a single drilling and production unit for the exploration for and production of oil and gas in the Crowley Field, Acadia Parish, Louisiana, said unit to be designated HET RA SUA and utilize the applicant's W. Hoffpauer No. 1 well as the unit well, located as shown on the attached plat.
4. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed units with each tract sharing in unit production on a surface acreage basis of participation.
5. Designate Hilliard Petroleum, Inc., as operator of the proposed units.
6. To designate a unit well for the proposed units.
7. To provide that any future wells, replacement and/or alternate unit wells drilled to the units proposed herein, should be located in accordance with the spacing provisions of Statewide Order No. 29-E.

- 8. To authorize the Commissioner of Conservation to reclassify the reservoirs by supplemental order without the necessity of a public hearing if the producing characteristics of the reservoirs change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.
- 9. To consider such other matters as may be pertinent.

The Camerina 1 Zone, Reservoir A, in the Crowley Field, Acadia Parish, Louisiana, is hereby defined as being that gas and condensate bearing zone encountered between the depths of 11,218 feet and 11,296 feet electrical log measurements, or 10,952 feet and 11,016 feet true vertical depths, in the Hilliard Petroleum Inc. - Hoffpauer No. 1 well (formerly Baronet No. 1) located in Section 3, Township 10 South, Range 1 East.

The Lower Marginulina Vaginata Sand, in the Crowley Field, Acadia Parish, Louisiana, was previously defined in Office of Conservation Order No. 544-Q-2, effective February 23, 1999, and is hereby further defined as being that gas and condensate bearing sand encountered between the depths of 10,572 feet and 10,604 feet electrical log measurements, or 10,447 feet and 10,472 feet true vertical depths, in the Hilliard Petroleum Inc. - Hoffpauer No. 1 well (formerly Baronet No. 1) located in Section 3, Township 10 South, Range 1 East

The Lower Heterostegina Sand, Reservoir A, in the Crowley Field, Acadia Parish, Louisiana, is hereby defined as being that gas and condensate bearing sand encountered between the depths of 9,665 feet and 9,703 feet electrical log measurements, or 9,655 feet and 9,692 feet true vertical depths, in the Hilliard Petroleum Inc. - Hoffpauer No. 1 well (formerly Baronet No. 1) located in Section 3, Township 10 South, Range 1 East

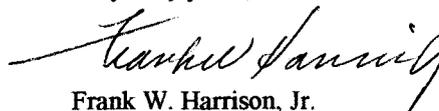

Pertinent data, including well logs, may be obtained AT THE COST OF THE REQUESTING PARTY from Frank W. Harrison, Jr., P. O. Box 51943, Lafayette, Louisiana, 70505, Telephone Number (337) 232-4031.

A pre-hearing conference was tentatively scheduled to be held on December 2, 2004 at the Petroleum Club of Lafayette, located at 111 Heymann Blvd., Lafayette, Louisiana, 70503. This conference was not held since no interested owner or represented party requested the conference. No opposition to the proposals is expected at the hearing.

Attached hereto and made a part hereof are plats outlining the applicant's proposals and a list of the names and addresses of the Interested Owners, Interested Parties, and Represented Parties to whom a copy of this notice is being furnished. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished only to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation. The list of parties will be provided to any party requesting a copy of it. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Interested Parties, and Represented Parties.

Finally, enclosed is our check on behalf of the applicant, in the amount of \$2,265.00, made payable to the Office of Conservation representing the required hearing application fee.

Very truly yours,

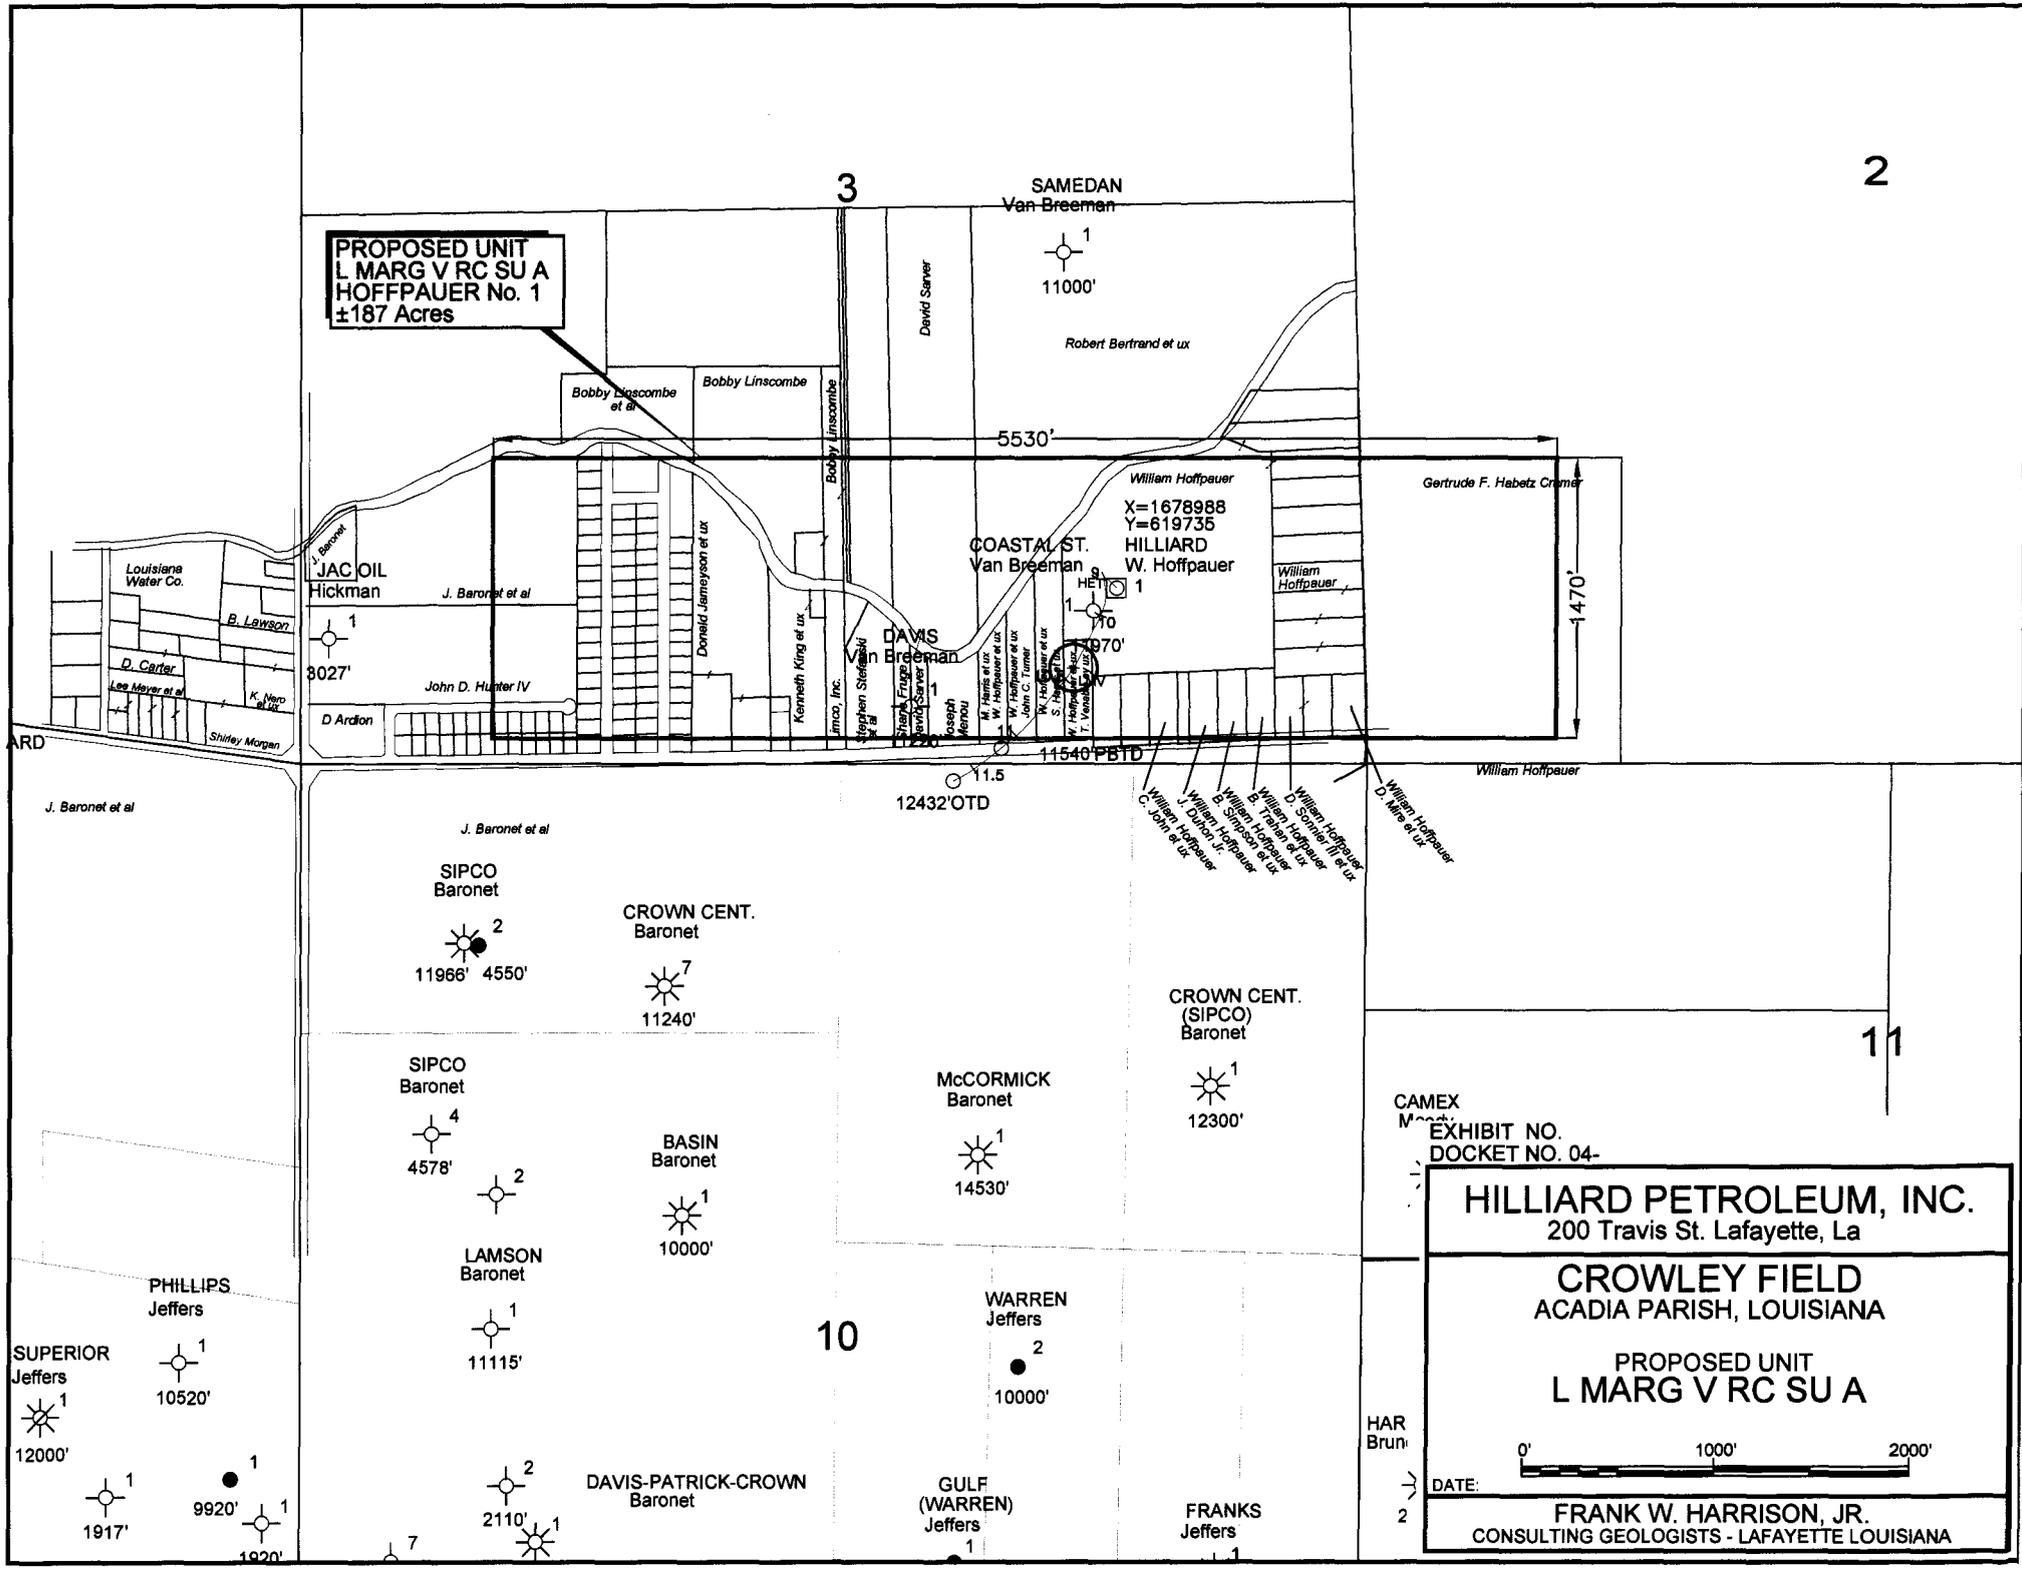

Frank W. Harrison, Jr.
