Dear Sir:

ENERGEN RESOURCES CORPORATION ("Applicant") hereby respectfully applies for a public hearing to consider evidence relative to the issuance of Orders pertaining to the following matters relating to the Hosston A Zone and to the Hosston B Zone in the Sailes Field, Bienville Parish, Louisiana:

1. To authorize Applicant to drill, designate and utilize one (1) additional alternate unit well each for HOSS B SUFF, HOSS A SUHH and HOSS B SUHH, at the locations shown on the attached plats.
2. To approve exceptions to the well location provisions of Office of Conservation Order No. 408-A, effective August 1, 1970, for either of the proposed wells the location of which, as shown on the attached plats, does not comply with the well location provisions of said Order.
3. To find that each of the above described wells is necessary to efficiently and economically drain a portion of the Hosston A and B Zones underlying the unit on which it is proposed to be drilled which cannot be efficiently and economically drained by any existing well on such unit.
4. To permit Applicant to combine downhole production from the Hosston A Zone with production from the Hosston B Zone in the wellbore of any existing or future wells located on HOSS A SUFF and HOSS B SUFF in which the interests in these units are identical.
5. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.

The Hosston A Zone in Sailes Field, Bienville Parish, Louisiana, was fully defined in Office of Conservation Order No. 408-A, effective August 1, 1970. The Hosston B Zone in Sailes
