Re: Application for a Public Hearing
Hayes Zone, Reservoir A
Cibicides Hazzardi Sand, Reservoir A
Crowley Field
Acadia Parish, Louisiana

Application is hereby made on behalf of **HILLIARD PETROLEUM, INC.**, for the calling of a public hearing, after ten (10) days legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the Hayes Zone, Reservoir A, and the Cibicides Hazzardi Sand, Reservoir A, in the Crowley Field, Acadia Parish, Louisiana, for which rules and regulations were established for a single drilling and production unit for the exploration for and production of oil and gas by Office of Conservation Order No. 544-NN, effective March 23, 2004, said unit designated HAYES RA SUA, and Office of Conservation Order No. 544-PP, effective March 23, 2004, said unit designated CIB H RA SUA:

1. To permit the applicant to drill, designate and utilize the Hilliard Petroleum, Inc.-Baronet No. 2 well as the unit well for HAYES RA SUA, said well located as shown on the plat attached hereto, in exception to the spacing provisions of Office of Conservation Order No. 544-NN and Statewide Order No. 29-E.
2. To permit the applicant to drill, designate and utilize the Hilliard Petroleum, Inc.-Baronet No. 2-D well as the unit well for CIB H RA SUA, said well located as shown on the plat attached hereto, in exception to the spacing provisions of Office of Conservation Order No. 544-PP and Statewide Order No. 29-E.
3. To find that the proposed unit wells, at the exceptional location shown on the attached plat are necessary to efficiently and economically drain the reservoirs covered by the units in which each well is situated.
4. Except to the extent contrary herewith, to continue in full force and effect the provisions of the Office of Conservation Order No. 544-NN, Office of Conservation Order No. 544-PP, the units created thereby, and applicable Statewide Orders.
5. To authorize the Commissioner of Conservation to reclassify the reservoirs by supplemental order without the necessity of a public hearing if the producing characteristics of the reservoirs change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.
6. To consider such other matters as may be pertinent.

The Hayes Zone, Reservoir A, in the Crowley Field, Acadia Parish, Louisiana, was defined as being that gas and condensate bearing zone encountered between the depths of 11,880 feet and 12,040 feet. electrical log measurements, in the Crown Central Petroleum Corp.-J. Baronet No. 1 well located in Section 9, Township 10 South, Range 1 East, Acadia Parish, Louisiana, by Office of Conservation Order No. 544-NN, effective March 23, 2004.

The Cibicides Hazzardi Sand, Reservoir A, in the Crowley Field, Acadia Parish, Louisiana, was defined as being that gas and condensate bearing sand encountered between the depths of 11,550 feet and 11,600 feet. electrical log measurements, in the Falcon Seaboard.-Jules Baronet, Jr. No. 1 well located in Section 9, Township 10 South, Range 1 East, Acadia Parish, Louisiana, by Office of Conservation Order No. 544-PP, effective March 23, 2004.

Attached hereto and made a part hereof is a plat outlining the applicant's proposal and a list of the names and addresses of the Interested Owners, Interested Parties, and Represented Parties to whom a copy of this notice is being furnished. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished only to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation. The list of parties will be provided to any party requesting a copy of it. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Interested Parties, and Represented Parties.

Finally, enclosed is our check on behalf of the applicant, in the amount of \$1,510.00, **made payable to the Office of Conservation** representing the required hearing application fee.

Very truly yours,

Frank W. Harrison, Jr.
