Re: **APPLICATION FOR PUBLIC HEARING**
Proposed Substitute Unit Well
"D" Sand of the Cotton Valley Zone
CV D SUFF &
Downhole Combination
"D" Sand of the Cotton Valley Zone and
Travis Peak Zone
Greenwood-Waskom Field
Caddo Parish, Louisiana

Dear Sir:

Application is hereby made on behalf of **MAXIMUS OPERATING, LTD.**, (Applicant), to the Commissioner of Conservation for a public hearing to consider evidence relative to the issuance of an Order pertaining to the following matters relating to the "D" Sand of the Cotton Valley Zone and the Travis Peak Zone, Greenwood-Waskom Field, Caddo Parish, Louisiana:

1. To permit the applicant to designate and utilize their Agurs No. A-2 Well as a substitute unit well for CV D SUFF for the production of gas and condensate from the "D" Sand of the Cotton Valley Zone, Greenwood-Waskom Field, Caddo Parish, Louisiana, such unit and well shown on the attached plat and made a part hereof.
2. To find that a substitute unit well, at the location shown on the attached plat, is necessary to assist in draining a portion of the "D" Sand of the Cotton Valley Zone in the CV D SUFF that cannot be drained by any other well located therein.
3. To permit the downhole combination of the production from the "D Sand of the Cotton Valley Zone and the Travis Peak Zone in any well bore located within the units designated CV D SUFF and TP SU78, which are identical in aerial extent and have the same working and royalty interests.

Hon. James H. Welsh
Greenwood-Waskom Field
2

4. To provide for the unit allowable to be assigned to and reported from the lower most zone of completion.
5. To consider and cover such other matters as the Commissioner of Conservation may deem pertinent and appropriate.

The "D" Sand of the Cotton Valley Zone was defined in Office of Conservation Order No. 193-B, effective January 5, 1954 and as supplemented by the 270-B Series of Office of Conservation Orders. The Travis Peak Zone, in the Greenwood-Waskom Field, Caddo Parish, Louisiana, was defined in Office of Conservation Order No. 125-A, effective August 1, 1947.

The pertinent data pertaining to this application is available for inspection at the Offices of B. F. Anderson, 400 Travis Street, Suite 209, Shreveport, Louisiana 71101-3110. Any person wishing to inspect such data should call B. F. Anderson at 318/425-4230 during normal business hours in order to arrange a date and time for such inspection. A copy of any such pertinent, that is otherwise not available from the Office of Conservation, can be obtained **at the expense of the requesting party.**

The subject matter of this application does not require a pre-hearing conference.

Attached hereto and made a part of, are plats showing the applicant's proposal and a list of the names and addresses of the names and addresses of all Interested Owners, Interested Parties and Represented Parties to whom this application is being furnished. Pursuant to the Revised Rules of Procedure, the list of parties is being furnished to the Commissioner of Conservation and to the District Office of Conservation. The list of parties will be provided to any party requesting copies. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and the Interested Parties as shown on the attached list.

Our check, made payable to the Office of Conservation, is attached to cover the applicable hearing fee.

Yours very truly,

B. F. Anderson, PE for
MAXIMUS OPERATING , LTD.
