Re: Camerina 2 Zone, Reservoir I
ANDREW FIELD
Vermilion Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **DAVIS PETROLEUM CORPORATION** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the Camerina 2 Zone, Reservoir I, in the Andrew Field, Vermilion Parish, Louisiana:

1. To establish rules and regulations and to create a single drilling and production unit for the exploration for and production of gas and condensate from the Camerina 2 Zone, Reservoir I, in the Andrew Field, Vermilion Parish, Louisiana, said proposed unit designated CAM 2 RI SUA, as shown on the plat attached hereto and made a part hereof.
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed unit with each tract sharing in unit production on a surface acreage basis of participation.
3. To provide that any wells drilled to the Camerina 2 Zone, Reservoir I, should be located in accordance with the spacing provisions of LAC 43:XIX.1901 et seq. (Statewide Order No. 29-E).
4. To provide that the Commissioner of Conservation should be authorized to reclassify the reservoir by supplemental order without the necessity of a public hearing if the producing characteristics of the reservoir changes and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.
5. To consider such others matters as may be pertinent.

May 10, 2006

The Camerina 2 Zone, in the Andrew Field, was previously defined in Office of Conservation Order No. 625-G-8, effective October 18, 2005.

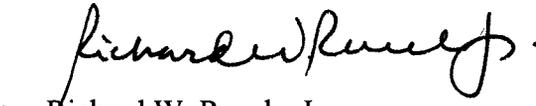

Pertinent data, including well logs, may be obtained **AT THE COST OF THE REQUESTING PARTY** from Leon E. Comeaux & Associates, P. O. Box 53922, Lafayette, Louisiana 70505, Telephone Number (337) 233-9839.

Pursuant to the Rules of Procedure, a pre-application conference was held in Lafayette, Louisiana on March 17, 2006, at which the parties named on the attached list were in attendance. The conference was opened by representatives of the applicant who explained the basis for the unit being requested. Questions were asked and answered. Mr. Bryan Groves, representing Palaura Exploration Company, presented a counterplan, suggesting a different unit configuration. The conference was then adjourned without a resolution of differences. As the result of additional discussions since the conference between the two operators, a compromise unit proposal was agreed upon as reflected on the plat attached hereto. Should any party wish to consult regarding this unit proposal, the undersigned should be notified.

Attached hereto and made a part hereof is a plat outlining the applicant's proposal, along with the conference attendance list and the list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being mailed. Pursuant to the Revised Rules of Procedure, the list of parties is being furnished only to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation; however, the list of parties will be furnished to any party requesting a copy. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed is our check in the amount of \$755.00 made payable to the Office of Conservation submitted on behalf of the applicant representing the hearing application fee.

Very truly yours,

Richard W. Revels, Jr.
