Re: Miogypsinoides Zone, Reservoir C  
LAUREL RIDGE FIELD  
Iberville Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **PETRO-HUNT, L.L.C.** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the Miogypsinoides Zone, Reservoir C, in the Laurel Ridge Field, Iberville Parish, Louisiana:

1. To establish rules and regulations and to create a single drilling and production unit for the exploration for and production of gas and condensate from the Miogypsinoides Zone, Reservoir A, in the Laurel Ridge Field, Iberville Parish, Louisiana, said proposed unit designated MIOGYP RC SUA, as shown on the plat attached hereto and made a part hereof.
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed unit with each tract sharing in unit production on a surface acreage basis of participation.
3. To provide that any wells drilled to the reservoir, within or outside the unit created herein, should be located in accordance with the spacing provisions of LAC 43:XIX.1901 et seq. (Statewide Order No. 29-E).
4. To provide that the Commissioner of Conservation should be authorized to reclassify the reservoir by supplemental order without the necessity of a public hearing if the producing characteristics of the reservoir changes and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.
5. To consider such others matters as may be pertinent.

August 16, 2007

The Miogypsinoides Zone, in the Laurel Ridge Field, Iberville Parish, Louisiana, was previously defined in Office of Conservation Order No. 131-S-1, effective January 11, 2005.

Any pertinent data, including well logs, not available from the Office of Conservation, may be obtained **AT THE COST OF THE REQUESTING PARTY** from David Comeaux of Leon E. Comeaux & Associates, P. O. Box Post Office Box 53922, Lafayette, Louisiana 70505, Telephone Number 337/233-9839.

Pursuant to the Rules of Procedure, a pre-application conference was held on August 8, 2007, in Lafayette, Louisiana, at which the parties named on the attached list were in attendance. The conference was opened by representatives of the applicant who explained the basis for the unit being requested. Questions were asked and answered. Two counterplans were presented: one by Chip Leblanc, representing the L. N. Folsé family, and one by David Sturlese, representing the Lawton Company. Both landowner representatives suggested somewhat larger units. The conference was adjourned without a resolution of differences. Since the conference, in order to resolve differences with the two opposing parties, the applicant has extended the east and west boundaries of its original proposed unit somewhat as shown on the plat attached hereto and made a part hereof. The applicant is not aware of any remaining opposition.

Attached hereto and made a part hereof is a revised plat outlining the applicant's proposal, the conference attendance list and a list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being mailed. Pursuant to the Revised Rules of Procedure, the list of parties is being furnished **ONLY** to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation; however, the list of parties will be furnished to any party requesting copies. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed is our check in the amount of \$755.00 made payable to the Office of Conservation submitted on behalf of the applicant representing the hearing application fee.

Very truly yours,

Richard W. Revels, Jr.
