APPLICATION

Honorable James H. Welsh
Commissioner of Conservation
Louisiana Office of Conservation
P. O. Box 94275
Baton Rouge, LA 70804-4275

RE: N Zone, Reservoir H
Valentine Field
Lafourche Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **SAMSON CONTOUR ENERGY E&P, LLC** for the calling of a public hearing, after thirty (30) days legal notice, to consider evidence relative to the issuance of Orders pertaining to the following matters in the **N Zone, Reservoir H**, in the **Valentine Field**, Lafourche Parish, Louisiana, to-wit:

1. To establish rules and regulations and create a single drilling and production unit for the exploration for and production of gas and condensate, such unit to be designated N RH SUA;
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed unit, with each tract sharing in unit production on a surface acreage basis of participation;

3. To designate the Samson Contour Energy E&P, LLC - Harang No. 1 Well as the unit well for the proposed unit;
4. To designate Samson Contour Energy E&P, LLC as the unit operator for the proposed unit;
5. To provide that any future wells drilled to the N Zone, Reservoir H, within or outside of the proposed unit, should be located no closer than 300 feet between wells completed in the reservoir and 50 feet from any unit line;
6. To provide that the Commissioner of Conservation should be authorized to reclassify the N Zone, Reservoir H, by supplemental order without the necessity of a public hearing if the producing characteristics of the reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation; and
7. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.

The N Zone, Reservoir H, in the Valentine Field, Lafourche Parish, Louisiana, is hereby defined as being that gas and condensate bearing zone encountered between the depths of 7,880 feet and 8,123 feet (electric log measurements) in the Samson Contour Energy E&P, LLC - Harang No.1 Well, located in Section 10 Township 17 South, Range 20 East, Lafourche Parish, Louisiana.

The pre-application conference tentatively scheduled for 10:30 a.m., Friday, October 5, 2007, **WILL NOT BE HELD**, as it was not requested within the delays provided for by the Rules of Procedure; therefore, no opposition to this Application at the hearing is anticipated.

Pertinent data relating to the proposed application can be obtained, **AT THE COST OF THE REQUESTING PARTY**, by contacting Bill McAlister, P. O. Box 53922, Lafayette, LA 70505, (337) 233-9839.

There is attached hereto and made a part hereof a plat outlining the proposed unit and a list of the names and addresses of the interested parties to whom this unitization proposal is being sent. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished **ONLY** to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation. However, the list of parties will be provided to any party requesting a copy of it. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed herein is our check in the amount of \$755.00 made payable to the Office of Conservation in payment of the required hearing application fee.

Very truly yours,

RANDALL C. SONGY
