Re: APPLICATION FOR PUBLIC HEARING

Proposed Additional Units
Cotton Valley Zone, Reservoir A
Redland Field
Bossier Parish, Louisiana

Dear Sir:

Application is hereby made on behalf of **WINCHESTER PRODUCTION COMPANY**, (Applicant), the Commissioner Conservation for a public hearing to consider evidence relative to the issuance of an Order pertaining to the following matters relating to the Cotton Valley Zone, Reservoir A, Redland Field, Bossier Parish, Louisiana:

1. To create five (5) additional 640 +/- acre drilling and production units for the exploration of and the production of gas and condensate for the Cotton Valley Zone, Reservoir A, in the Redland Field, Bossier Parish, Louisiana, such unit being designated CV RA SUC thru CV RA SUG and shown on the attached plat and being made a part hereof.
2. To force pool and integrate all separately owned tracts, mineral leases and other property within the proposed units in accordance with Section 10, Title 30, of the Louisiana Revised Statutes of 1950, with each tract to share in the unit production on a surface acreage bases of participation.
3. To designate a unit operator and unit well where applicable one (1) of which is in exception to the spacing provisions of Office of Conservation Order No. 263-G, effective August 21,, 2007.
4. To extend the provision of Office of Conservation Order No. 263-G, and other applicable Statewide Orders to the proposed additional units, except as they may be in conflict herewith.

Hon. James H. Welsh
Redland Field
2

5. To provide that the gas allowable provisions of Statewide Order No. 29-F, LAC 43:XIX.2101 et seq., should not apply to the wells drilled to the Cotton Valley Zone, Reservoir A, in the Redland Field, Bossier Parish, Louisiana, but that such wells should be given an allowable based on the maximum efficient rate (MER) of the well, being the maximum sustainable rate from the reservoir which will permit economical development and reservoir depletion without causing waste.
6. To consider and cover such other matters as the Commissioner of Conservation may deem pertinent and appropriate.

The Cotton Valley Zone, Reservoir A, in the Redland Field, Bossier Parish, Louisiana, was defined in Office of Conservation Order No. 263-G, effective August 21, 2007.

The pertinent data pertaining to this application is available for inspection at the Offices of Bob F. Anderson, PE, Inc., 400 Travis Street, Suite 209, Shreveport, Louisiana 71101. Any person wishing to inspect such data should call Bob Anderson 318/425-4230 during normal business hours in order to arrange a date and time for such inspection. A copy of any such pertinent data that is otherwise not available from the Office of Conservation can be obtained **at the expense of the requesting party**.

A pre-application notice was sent to all parties stating a time and date for a conference to discuss the proposed application, however, no request for a conference was received, therefore, no conference was held.

Pursuant to the revised Rules of Procedure, Applicant has made a reasonable effort to obtain the names and addresses of all Interested Owners, Interested Parties and Represented Parties to whom this application is being sent. A copy of this letter, plat and list of parties is being sent to the District Manager of the Shreveport District Office of Conservation and the attached letter and plat is being sent to the Interested Owners, Represented Parties and the Interested Parties as shown on the attached list.

Attached hereto is our check, made payable to the Office of Conservation, to cover the applicable hearing fee.

Yours truly,

B. F. Anderson, PE for

WINCHESTER PRODUCTION COMPANY
