Re: Cadeville Sand, Reservoir C
Cotton Valley Zone, Reservoir A
Cartwright Field
Jackson Parish, Louisiana

APPLICATION FOR PUBLIC HEARING

Dear Sir:

Range Production Company hereby makes application for a public hearing to consider evidence relating to the following matters pertaining to the Cadeville Sand, Reservoir C, and Cotton Valley Zone, Reservoir A, in the Cartwright Field, Jackson Parish, Louisiana:

1. To establish single drilling and production unit for the exploration for and production of gas and condensate from the Cadeville Sand, Reservoir C, in the Cartwright Field, Jackson Parish, Louisiana, to be designated CAD RC SUA, as shown outlined on the plat attached hereto and made a part hereof;
2. To force pool and integrate all of the separately owned tracts, mineral leases and other property interests located within the proposed unit in accordance with Section 10, Title 30, of the Louisiana Revised Statutes of 1950, with each tract sharing in unit production on a surface acreage basis of participation;
3. To authorize Range Production Company to designate and utilize the Weyerhaeuser 8 No. 1 Well as the unit well for CAD RC SUA at the location shown on the attached plat and to name Range Production Company as operator said unit;
4. To establish field rules for the Cadeville Sand, Reservoir C, in the Cartwright Field, such that future wells drilled to said sand should be located no closer than 1,000 feet to unit lines and that there should be no less than 2,000 feet between wells drilling to, completed in, or for which a permit shall have been issued to the Cadeville Sand, Reservoir C;
5. To authorize the down hole or well bore combination of hydrocarbons produced from the Cadeville Sand, Reservoir C, and the Cotton Valley Formation, Reservoir A, in the

Page 2

Cartwright Field, insofar as units for these respective zones are concerned, provided the ownership within said units and zones are the same; and

6. To consider and cover such other matters as the Commissioner of Conservation may deem appropriate and necessary under the circumstances.

The Cadeville Sand, Reservoir C, in the Cartwright Field, Jackson Parish, Louisiana, is to be defined as that gas and condensate bearing zone encountered between the depths of 9839 feet and 9863 feet (electric log measurements) in the Range Production Company - Weyerhaeuser 8 No. 1 Well located in the Southeast Quarter of Section 8, Township 17 North, Range 1 West, Jackson Parish, Louisiana.

The Cotton Valley Zone, Reservoir A, in the Cartwright Field, Jackson Parish, Louisiana, is currently defined in Office of Conservation Order No. 537-C-1, effective February 5, 1982.

Any pertinent data relating to this matter can be obtained at the cost of the requesting party from Mr. James E. Cole, Range Production Company, 16801 Greenspoint Drive, Suite 200, Houston, Texas 77060, telephone number (281) 618-1860.

A pre-application notice letter dated October 12, 2007, was circulated in connection with this matter. There was no request for a conference.

The list of parties attached to the copy of this application being sent to the Office of Conservation includes the names of all Interested Owners, Represented Parties and Interested Parties known to Applicant after a diligent search. A copy of this application, with plat attached, is being sent to each such party. Pursuant to Office of Conservation regulations, the list of parties is being furnished only to the Commissioner of Conservation and to the District Manager of the Shreveport District of the Office of Conservation; however, the list of parties will be provided to any person requesting a copy of it. A check for the application fee made payable to the Commissioner of Conservation is included with the copy of this letter being sent to the Commissioner of Conservation.

Yours very truly,

COOK, YANCEY, KING & GALLOWAY

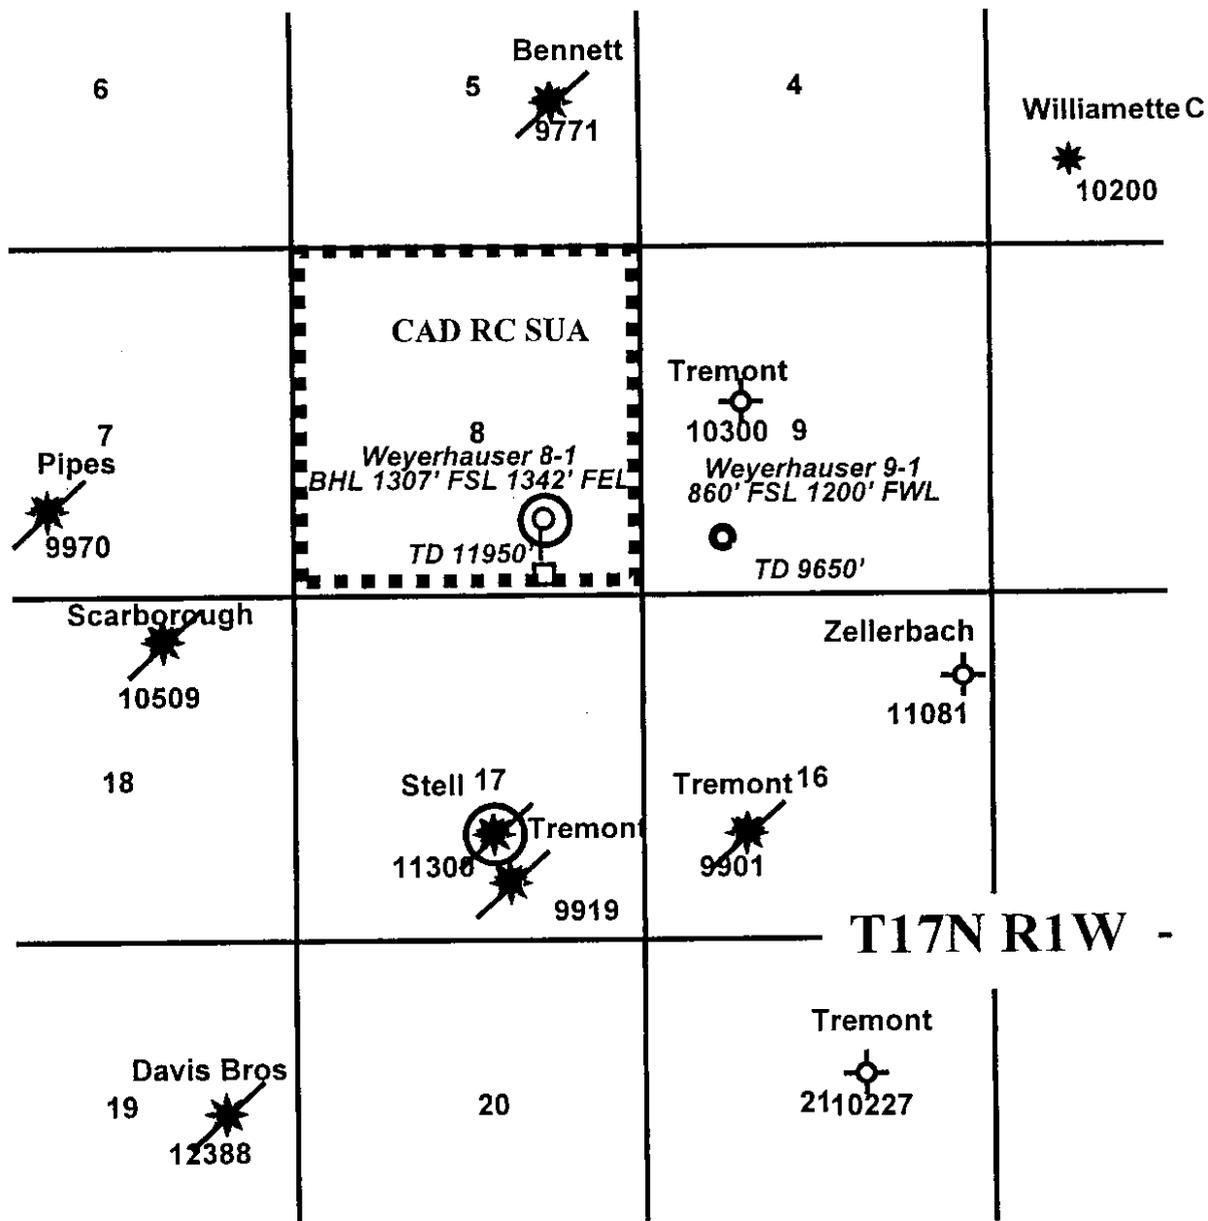

J. William Fleming
