Re: Application for a Public Hearing  
Het Zone  
Leleux Field  
Vermilion Parish, Louisiana

Dear Mr. Commissioner:

Application is hereby made on behalf of **HILLIARD PETROLEUM, INC.**, for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an Order pertaining to the following matters relating to the Het Zone, Reservoir C, in the Leleux Field, Vermilion Parish, Louisiana:

1. To establish rules and regulations and create a single drilling and production unit for the Het Zone, Reservoir C, for the exploration for and production of gas and condensate, such unit to be designated HET RC SUA.
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed revised unit with each tract sharing in unit production on a surface acreage basis of participation.
3. To designate Hilliard Petroleum, Inc., as operator of the proposed unit.
4. To provide that any future wells drilled to the Het Zone, Reservoir C in Leleux Field should be located in accordance to the spacing provisions of Statewide Order No. 29-E.
5. To provide that the Commissioner of Conservation should be authorized to reclassify the reservoir by supplemental order without the necessity of a public hearing, if the producing characteristics of the reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner.
6. To consider such other matters as may be pertinent.

The Het Zone, Leleux Field, was previously defined in Office of Conservation Order No. 341-K-2, effective December 15, 2004.

Pertinent data, including well logs, may be obtained AT THE COST OF THE REQUESTING PARTY from Frank W. Harrison, Jr., P. O. Box 51943, Lafayette, Louisiana, 70505, Telephone Number (337) 232-4031.

A prehearing conference to discuss the proposed application and any opposition thereto was tentatively scheduled for 10:00 A. M. on Wednesday, December 27, 2006, at the Petroleum Club of Lafayette, located at 111 Heymann Blvd., Lafayette, Louisiana, 70503. This conference was not held since a specific request to confer was not made to the writer either by telephone or in writing by an Interested Owner or Represented Party receiving a copy of this notice indicating a desire to confer. We do not anticipate any objections to this application.

Attached hereto and made a part hereof is a plat outlining the applicant's proposal and a list of the names and addresses of the Interested Owners, Interested Parties, and Represented Parties to whom a copy of this notice is being furnished. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished only to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation. The list of parties will be provided to any party requesting a copy of it. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Interested Parties, and Represented Parties.

Finally, enclosed is our check on behalf of the applicant, Hilliard Petroleum, Inc., in the amount of \$755.00 made payable to the Office of Conservation and representing the required hearing application fee.

Very truly yours,

Frank W. Harrison, Jr.
