Re: Hearing Application
Yegua Zone, Reservoirs A and B
CARLYSS FIELD
Calcasieu Parish, Louisiana
Applicant: Duncan Oil, Inc.

Dear Mr. Commissioner:

In accordance with the Rules of Procedure for Conducting Hearings Before the Commissioner of Conservation of the State of Louisiana, application is hereby made on behalf of **Duncan Oil, Inc.** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the Yegua Zone, Reservoirs A and B, in the Carlyss Field, Calcasieu Parish, Louisiana.

1. To create two (2) single drilling and production units of approximately 482 acres for the Yegua Zone, Reservoir A, and 522 acres for the Yegua Zone, Reservoir B, designated as the Y RA SUA and Y RB SUA, respectively, Carlyss Field, Calcasieu Parish, Louisiana, all as shown more particularly on the attached plat;
2. To establish rules and regulations governing the exploration for and production of gas and condensate from the said units;
3. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the units so created, with each tract sharing in unit production on a surface acreage basis of participation;
4. To consider such other matters relating to the subject reservoir as may be appropriate and justified by the evidence presented at the public hearing.

Hon. James H. Welsh
June 21, 2007
Page 2

The Yegua Zone, Reservoir A, in the Carlyss Field is hereby defined as being that gas and condensate bearing zone encountered between the measured depths of 14,270 feet and 16,450 feet (electrical log measurements) in the BHP Petroleum-Glover No. 1 Well, located in Section 10, Township 10 South, Range 11 West, Calcasieu Parish, Louisiana.

In compliance with the Rules of Procedure for Conducting Hearings Before the Commissioner of Conservation of the State of Louisiana, a pre-application conference was held in Lafayette, Louisiana on June 4, 2007. Attached hereto and made a part hereof is a list of the names and addresses of the parties who were in attendance at that conference.

The conference was opened by Mr. B. J. Duplantis. Mr. Bill McAlister of Leon Comeaux & Associates presented the plan of applicant. Mr. Charles Smith on behalf of American Sulphur & Oil Company of Louisiana, LLC proposed a counterplan to the Y RB SUA of 665 acres. No opposition was expressed as to the Y RA SUA. The parties subsequently agreed to a unit of 522 acres for the Y RB SUA attached hereto. Questions were asked and answered. It is anticipated that there will be no opposition at the public hearing on this matter.

Attached hereto and made a part hereof is a revised plat outlining the Y RA SUA and Y RB SUA, Carlyss Field, Calcasieu Parish, Louisiana, and a list of the names and addresses of the interested owners, represented parties and interested parties to whom this notice is being sent. It is hereby certified that a reasonable effort was made to ascertain the names and addresses of all interested owners, represented parties and interested parties.

Upon receipt of the legal notice in the captioned matter, the notice will be posted, published and mailed in accordance with Rule 7 of the Rules of Procedure.

Any pertinent data relating to the proposed unit can be obtained, AT THE COST OF THE REQUESTING PARTY, from Mr. Bill McAlister, of Leon Comeaux & Associates, Inc., P. O. Box 81829, Lafayette, La 70505 (337) 233-9839.

Finally, there is enclosed herewith our check on behalf of the applicant in the amount of \$755.00, made payable to the Office of Conservation, representing the required hearing application fee.

Very truly yours,

B. J. Duplantis
