RE: **Haynesville Zone, Reservoir A**
Logansport Field
DeSoto Parish, Louisiana

APPLICATION FOR PUBLIC HEARING

Dear Sir:

Franks Operating Company, L.L.C. hereby makes application pursuant to the revised rules of procedure for a public hearing to consider evidence relating to the following matters pertaining to the Haynesville Zone, Reservoir A, in the Logansport Field, DeSoto Parish, Louisiana:

1. To establish rules and regulations and create one drilling and production unit for the exploration for and production of gas and condensate from the Haynesville Zone, Reservoir A, in the Logansport Field, DeSoto Parish, Louisiana, to be designated HA RA SUK as shown outlined on the plat attached hereto;
2. To force pool and integrate all of the separately owned tracts, mineral leases and other property interests located within the proposed unit for the Haynesville Zone, Reservoir A, in accordance with Section 10, Title 30, of the Louisiana Revised Statutes of 1950, with each tract sharing in unit production on a surface acreage basis of participation.
3. To designate a unit well and unit operator for HA RA SUK, as appropriate;
4. To provide that future wells drilled to the Haynesville Zone, Reservoir A, in the Logansport Field, DeSoto Parish, Louisiana, should be located no closer than 330 feet to any unit line and no closer than 660 feet to any well completed in, drilling to, or for which a permit has been granted to drill to the Haynesville Zone, Reservoir A;
5. To provide that with respect to future horizontal wells drilled to the Haynesville Zone, Reservoir A, in the proposed unit, where the horizontal portion of the well is cased and cemented back above the top of the Haynesville Zone, Reservoir A, the distance to any unit boundary will be calculated based on the distance to the nearest perforations in the well, and not based on the penetration point or terminus;
6. To permit Applicant to combine downhole or within wellbores production from the Haynesville Zone, Reservoir A, underlying the proposed unit with Hosston Zone production underlying

Page 2

HOSS SU57 and Cotton Valley Formation, Reservoir A, production underlying CV RA SUI (for which downhole combination of production was authorized by Office of Conservation Order No. 28-16), or from any combination thereof, in any well drilled on these units in which the ownership interests in the units from which production is to be combined downhole are identical.

7. To consider and cover such other matters as the Commissioner of Conservation may deem appropriate and necessary under the circumstances.

The Haynesville Zone, Reservoir A, in the Logansport Field is to be defined as the stratigraphic equivalent that gas and condensate bearing interval encountered between the depths of 9,800 feet and 11,256 feet (electric log measurements) in the Comstock Oil and Gas - Louisiana, LLC - Caraway Estate No. 2 Well, located in Section 20, Township 12 North, Range 16 West, DeSoto Parish, Louisiana.

Any pertinent data relating to this matter can be obtained, at the cost of the requesting party, from Mr. Edward Yarbrough, Franks Exploration Company, L.L.C., P. O. Box 7665, Shreveport, Louisiana 71137-7665, telephone number (318) 221-2688.

A pre-application notice dated June 26, 2008, was circulated in connection with this matter. There was no request for a conference in response to the notice; accordingly, no conference was held.

Attached to the copy of this application being sent to the Office of Conservation is list that includes the names of all Interested Owners, Represented Parties and Interested Parties known to Applicant after a diligent search. A copy of this application, with plat attached, is being sent to each such party. Pursuant to Office of Conservation regulations, the list of parties is being furnished only to the Commissioner of Conservation and to the District Manager of the Shreveport District of the Office of Conservation; however, the list of parties will be provided to any person requesting a copy of it. Also enclosed with the copy of this application being sent to the Commissioner of Conservation is a check for the application fee in connection with this matter.

Yours very truly,

COOK, YANCEY, KING & GALLOWAY

J. William Fleming
