Re: Haynesville Formation,
Reservoir B
Red River-Bull Bayou Field
Red River Parish, Louisiana

APPLICATION FOR PUBLIC HEARING

Dear Sir:

Petrohawk Operating Company hereby makes application pursuant to the revised rules of procedure for a public hearing to consider evidence relating to the following matters pertaining to the Haynesville Formation, Reservoir B, in the Red River-Bull Bayou Field, Red River Parish, Louisiana:

1. To establish rules and regulations and create an additional drilling and production unit for the exploration for and production of gas and condensate from the Haynesville Formation, Reservoir B, in the Red River-Bull Bayou Field, Red River Parish, Louisiana, to be designated HA RB SUE as shown outlined on the plat attached hereto and made a part hereof;
2. To force pool and integrate all of the separately owned tracts, mineral leases and other property interests located within the proposed unit in accordance with Section 10, Title 30, of the Louisiana Revised Statutes of 1950, with each tract sharing in unit production on a surface acreage basis of participation;
3. To designate a unit well and unit operator, as appropriate;
4. To provide that wells drilled to the Haynesville Formation, Reservoir B, in the Red River-Bull Bayou Field be located no closer than 330 feet to any unit line and that there be not less than 660 feet between wells drilling to, completed in, or for which a permit shall have been issued to the Haynesville Formation, Reservoir B;
5. To provide that with respect to horizontal wells drilled to the Haynesville Formation, Reservoir B, in the proposed unit, where the horizontal lateral portion of the well is cased and cemented back above the top of the Haynesville Formation, Reservoir B, the distance to any unit boundary will be calculated based on the distance to the nearest perforation in the well, and not based on the penetration point or terminus;

COOK, YANCEY, KING & GALLOWAY

Office of Conservation

6. To consider and cover such other matters as the Commissioner of Conservation may deem appropriate and necessary under the circumstances.

The Haynesville Formation, Reservoir B, in the Red River-Bull Bayou Field, DeSoto and Red River Parishes, Louisiana, is to be defined as being the stratigraphic equivalent of that gas and condensate bearing interval encountered between the depths of 11,930 feet and 12,640 feet (electric log measurements) in the EnCana Oil & Gas (USA), Inc. - Martin Timber Co. LLC No. 1 Well, located in Section 10, Township 13 North, Range 10 West, Red River Parish, Louisiana.

There is an application pending before the Office of Conservation pursuant to which the Haynesville Formation, Reservoir B, in the Red River-Bull Bayou is to be defined as set forth above and which addresses other pertinent matters.

Any pertinent data relating to this matter can be obtained at the cost of the requesting party, from Mr. Craig Barclay, 522 Dumbarton Drive, Shreveport, Louisiana 71106, at telephone number (318) 869-2223.

A pre-application notice letter dated July 3, 2008, was circulated in connection with this matter. There was no request received for a conference; accordingly, no conference was held.

The list of parties attached to the copies of this application being sent to the Office of Conservation includes the names of all Interested Owners, Represented Parties and Interested Parties known to Applicant after a diligent search. A copy of this application, with plat attached, is being sent to each such party. Pursuant to Office of Conservation regulations, the list of parties is being furnished only to the Commissioner of Conservation and to the District Manager of the Shreveport District of the Office of Conservation; however, the list of parties will be provided to any person requesting a copy of it. Also enclosed with the copy of this letter being sent to the Commissioner of Conservation is a check for the application fee.

Yours very truly,

COOK, YANCEY, KING & GALLOWAY

J. William Fleming
