RE: HEARING APPLICATION
Haynesville Zone, Reservoir A
Dixie Field
Caddo and Bossier Parishes, Louisiana
Our File No. 310189.12

Dear Sir:

On behalf of **Nadel & Gussman - Jetta Operating Company**, application is hereby made for a public hearing to receive evidence concerning the issuance of an order pertaining to the following matters relating to the Haynesville Zone, Reservoir A, in the Dixie Field, Caddo and Bossier Parishes, Louisiana.

1. To establish rules and regulations and create eleven (11) additional drilling and production units (to be designated as HA RA SUA thru HA RA SUK) for the exploration for and production of gas and condensate from the Haynesville Zone, Reservoir A, in the Dixie Field, Caddo and Bossier Parishes, Louisiana, as shown on the plat attached hereto.
2. To force pool and unitize all separately owned tracts, mineral leases, and other property interests within the proposed HA RA SUA thru HA RA SUK , with allocation of production from the unit wells to the tracts within each such unit therefor to be on the basis of surface acreage.
3. To provide that future wells drilled to the Haynesville Zone, Reservoir A, in the Dixie Field, Caddo and Bossier Parishes, Louisiana, within or outside the proposed units, should be located no closer than 330 feet from any unit line and no closer than 660 feet between wells drilling to, completed in, or for which a permit shall have been granted to drill to the Haynesville Zone, Reservoir A.
4. With respect to future horizontal wells drilled to the Haynesville Zone, Reservoir A, in the proposed units and in the Dixie Field, where the horizontal portion of the well is cased and cemented back above the top of the Haynesville Zone, Reservoir A, the distance to any unit boundary will be calculated based on the distance to the nearest perforation in the well, and not based on the penetration point or terminus;
5. To designate a unit operator and unit wells for certain of said units, if appropriate.
6. To consider such other matters and issue such orders as may be appropriate and justified by the evidence presented at the hearing.

Commissioner of Conservation
July 17, 2008
Page 2

The Haynesville Zone, Reservoir A, in the Dixie Field, Caddo and Bossier Parishes, Louisiana, is hereby defined as that gas and condensate bearing interval between the depths of 9220 feet and 10,800 feet (electric log measurements) in the Nadel & Gussman - Jetta Operating Company - Franks 22 No. 1 Well located in Section 22, Township 19 North, Range 14 West, Caddo Parish, Louisiana.

In accordance with Office of Conservation Policy Memorandum dated March 16, 1998, the Office of Conservation has approved the waiver of the production test in the field policy for the Haynesville Zone, Reservoir A, in the Dixie Field.

Pertinent data concerning the intended application will be made available for inspection at the offices of Blanchard, Walker, O'Quin & Roberts, Chase Tower, 400 Texas Street, Shreveport, Louisiana 71163-1126. Any person wishing to inspect such data should call Wm. Timothy Allen III at (318) 221-6858 during normal business hours or write Mr. Allen at the above address, in order to arrange a date and time for such inspection. A copy of any such pertinent data can be obtained at the expense of the requesting party.

A list of the names and addresses of all Interested Owners, Represented Parties and Interested Parties (as defined in the Rules of Procedure) is attached hereto, and a copy of this notice, with the annexed plat, is being sent to each of such persons. A reasonable effort has been made to determine that the enclosed list includes all of the persons to whom this notice must be sent under the Rules of Procedure.

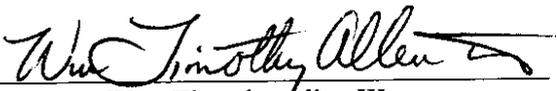

A Pre-Application Conference was held at the offices of Blanchard, Walker, O'Quin & Roberts, 15th Floor Conference Room, Chase Tower, 400 Texas Street, Shreveport, Louisiana, on July 16, 2008. In addition to the Applicant's representatives, said conference was attended by the parties shown on the attached attendance list. Following a presentation by Applicant's representatives as to the geological and other bases for its proposal, a general discussion ensued prior to adjournment. No counterplans were filed at the conference.

A check in the amount of \$755.00 made payable to the Commissioner of Conservation is enclosed herewith as the statutory fee for holding the requested hearing.

This application is being filed in duplicate, and a copy hereof is being sent to Mr. James C. Broussard, Shreveport District Manager of the Office of Conservation and to each Interested Owner, Represented Party and Interested Party whose name is shown on the attached list. All Pre-Application Conference Attendees have been added to such list.

Very truly yours,

BLANCHARD, WALKER, O'QUIN & ROBERTS
