1. To establish rules and regulations and to create nine (9) drilling and production units for the exploration for and production of gas and condensate from the Jurassic Zone, Reservoir B, in the Trenton Field, DeSoto Parish, Louisiana, said units to be designated JUR RB SUA through JUR RB SUI, all as shown on the plat attached hereto and made a part hereof.

July 18, 2008

7. To consider such others matters as may be pertinent.

The Jurassic Zone, in Trenton Field, DeSoto Parish, Louisiana, was previously defined in Office of Conservation Order No. 1199-C, effective April 22, 2008.

Any pertinent data, including well logs, not available from the Office of Conservation, may be obtained **AT THE COST OF THE REQUESTING PARTY** from Louis Gilbert & Associates, 3636 North Causeway Blvd., Suite 204, Metairie, LA 70002, Telephone Number (504)834-8112.

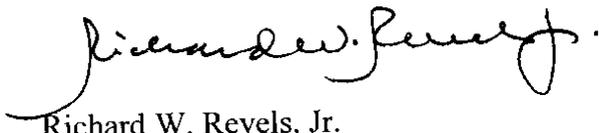

Pursuant to the Rules of Procedure, a pre-application conference was held on July 18, 2008, in Lafayette, Louisiana, at which the parties on the attached list were in attendance. The conference was opened by representatives of the applicant who explained the bases for the units being requested. Several questions were asked and answered. Some opposition was expressed as to the proposed zone definition. No counterplans were presented, and the conference was then adjourned.

Attached hereto and made a part hereof are a plat outlining the applicant's proposal, the conference attendance list, and the list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being mailed. Pursuant to the Revised Rules of Procedure, the list of parties is being furnished ONLY to the Commissioner of Conservation and to the District Manager of the Shreveport District of the Office of Conservation; however, the list of parties will be furnished to any party requesting copies. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed is our check in the amount of \$755.00 made payable to the Office of Conservation submitted on behalf of the applicant representing the hearing application fee.

Very truly yours,

LISKOW & LEWIS
