HA RB SUK
East Haynesville Field
Claiborne Parish, Louisiana
Our File No. 566032.6

Dear Sir:

On behalf of LIVE OAK ENERGY, INC., application is hereby made for a public hearing to receive evidence concerning the issuance of an order pertaining to the following matters relating to the Haynesville Sand, Reservoir B, in the East Haynesville Field, Claiborne Parish, Louisiana:

1. To permit the Applicant to designate and utilize its Burnham Heirs No. 1 Well and Crump Heirs No. 1 Well, at the locations shown on the plat attached hereto, as alternate unit wells for HA RB SUK.
2. To explicitly find that the proposed alternate unit wells are in the interest of conservation and are necessary to drain a portion of the Haynesville Sand, Reservoir B, in the East Haynesville Field underlying HA RB SUK, which cannot be efficiently and economically drained by any existing well in such unit.
3. To provide that the unit allowable for HA RB SUK may be produced from either the unit well, the alternate unit wells, or any combination thereof, at the operator's discretion.
4. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.
