Dear Commissioner Welsh:

Application is hereby made on behalf of **FOREST OIL CORPORATION**, for the calling of a public hearing, after thirty (30) days legal notice, to consider evidence relative to the issuance of Orders pertaining to the following matters related to the **Upper Wilcox Zone, Reservoir A**, in the **West DeQuincy Field**, Beauregard Parish, Louisiana, to-wit:

1. To establish rules and regulations and create a single drilling and production unit for the exploration for and production of gas and condensate from the Upper Wilcox Zone, Reservoir A, such unit to be designated U WX RA SUA;
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed unit, with each tract sharing in unit production on a surface acreage basis of participation;

3. To designate a unit well for the proposed unit, if appropriate;
4. To designate Forest Oil Corporation as the operator of the proposed unit, if appropriate;
5. To provide that any future well drilled to the Upper Wilcox Zone, Reservoir A, should be located in accordance with the spacing provisions of Statewide Order No. 29-E;
6. To provide that the Commissioner of Conservation should be authorized to reclassify the reservoir by supplemental order without the necessity of a public hearing if the producing characteristics of the reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation; and
7. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.

The Upper Wilcox Zone, in the West DeQuincy Field, is hereby defined as being that gas and condensate bearing zone encountered between the depths of 10,550 feet and 12,514 feet (electrical log measurements) in the Tidewater-Lutcher-Moore No. 1 Well, located in Section 30, Township 6 South, Range 5 East Beauregard Parish, Louisiana.

The pre-application conference tentatively scheduled for September 5<sup>th</sup>, 2008, **WILL NOT BE HELD**, as it was not requested within the delays provided for by the Rules of Procedure; therefore, no opposition to this Application at the hearing is anticipated.

Pertinent data relating to the proposed application can be obtained, **AT THE COST OF THE REQUESTING PARTY**, by contacting David Comeaux, with Leon Comeaux & Associates, 305 La Rue France, Lafayette, LA 70508 (337) 233-9839.
