RE: **Haynesville Zone, Reservoir A  
Woodardville Field  
Bienville Parish, Louisiana**

APPLICATION FOR PUBLIC HEARING

Dear Sir:

Questar Exploration and Production Company hereby makes application pursuant to the revised rules of procedure for a public hearing to consider evidence relating to the following matters pertaining to the Haynesville Zone, Reservoir A, in the Woodardville Field, Bienville Parish, Louisiana:

1. To establish four additional drilling and production units for the exploration for and production of gas and condensate from the Haynesville Zone, Reservoir A, in the Woodardville Field, Bienville Parish, Louisiana, to be designated HA RA SUR, HA RA SUS, HA RA SUT and HA RA SUU, as shown outlined on the plats attached hereto and made a part hereof.
2. To force pool and integrate all of the separately owned tracts, mineral leases and other property interests located within the proposed units in accordance with Section 10, Title 30, of the Louisiana Revised Statutes of 1950, with each tract sharing in unit production on a surface acreage basis of participation.
3. To designate unit wells and unit operators, as appropriate;
4. To establish field rules for the Haynesville Zone, Reservoir A, in the Woodardville Field that require wells to be located no closer than 330 feet to any unit boundary and that there be not less than 660 feet between wells drilling to, completed in, or for which a permit shall have been issued to the Haynesville Zone, Reservoir A;
5. To provide that with respect to horizontal wells drilled to the Haynesville Zone, Reservoir A, in the proposed units, where the horizontal lateral portion of the well is cased and cemented back above the top of the Haynesville Zone, Reservoir A, the distance to any unit boundary will be calculated based on the distance to the nearest perforation in the well, and not based on the penetration point or terminus; and

6. To consider and cover such other matters as the Commissioner of Conservation may deem appropriate and necessary under the circumstances.

The Haynesville Zone, Reservoir A, in the Woodardville Field, Bienville Parish, Louisiana, is to be defined as being that gas and condensate bearing zone encountered between the depths of 10,305 feet and 12,620 feet (electric log measurements) in the Questar Exploration and Production Company (formerly Will-Drill Production Company, Inc.) - Sustainable Forests 28 No. 1 Well located in the Northwest Quarter of Northwest Quarter of Section 28, Township 15 North, Range 9 West, Bienville Parish, Louisiana.

The initial unitization for the Haynesville Zone, Reservoir A, in the Woodardville Field is the subject of an application filed on behalf of Questar Exploration and Production Company dated June 4, 2008. The hearing to address that application was held on July 15, 2008, under Docket No. 08-973.

Any pertinent data relating to this matter can be obtained, at the cost of the requesting party, from Mr. Craig Barclay, 522 Dumbarton, Shreveport, Louisiana 71106, telephone number (318) 869-2223.

A Pre-Application Notice dated August 22, 2008, was circulated in connection with this matter. There was no request for a conference; accordingly, no conference was held.

The list of parties attached to the copy of this application being sent to the Office of Conservation includes the names of all Interested Owners, Represented Parties and Interested Parties known to Applicant after a diligent search. A copy of this application, with plat attached, is being sent to each such party. Pursuant to Office of Conservation regulations, the list of parties is being furnished only to the Commissioner of Conservation and to the District Manager of the Shreveport District of the Office of Conservation; however, the list of parties will be provided to any person requesting a copy of it. Enclosed with the copy of this letter being sent to the Commissioner of Conservation is a check for the application fee.

Yours very truly,

COOK, YANCEY, KING & GALLOWAY

J. William Fleming
