APPLICATION

11361-68247

Honorable James H. Welsh
Commissioner of Conservation
Louisiana Office of Conservation
P.O. Box 94275
Baton Rouge, LA 70804-4275

Re: Alternate Unit Wells
Clophe Sand, Reservoir A
Abbeville Field
Vermilion Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **LIBERTY RESOURCES, INC.** for the calling of a public hearing, after ten (10) days legal notice, to consider evidence relative to the issuance of Orders pertaining to the following matters related to **Clophe Sand, Reservoir A**, in the **Abbeville Field**, Vermilion Parish, Louisiana, for which rules and regulations were established and two drilling and production units were created by Office of Conservation Order No. 155-EE, effective July 18, 1978, as amended and supplemented by the 155-EE Series of Orders, to-wit:

1. To permit the applicant, Liberty Resources, Inc., to drill, designate and utilize the Liberty Resources, Inc. – Duhon No. 4 Well and the Liberty Resources, Inc. – Vincent No. 1 Well as alternate unit wells for CLOPHE RA SUA at the locations shown on the plat attached hereto and made a part hereof, which are in exception to the spacing provisions of Office of Conservation Order No. 155-EE;
2. To that find a tolerance of no further than a 50 foot radius around the proposed alternate unit well bores is necessary to account for

the possible variance between the proposed locations and the "as drilled" locations;

3. To permit the unit operator, Liberty Resource, Inc., to produce the unit allowable for CLOPHE RA SUA from the unit well, alternate unit well, and the proposed alternate unit wells, or any combination thereof at its discretion;
4. Except to the extent contrary herewith, to continue in full force and effect the provisions of Office of Conservation Order No. 155-EE, effective July 18, 1978, as amended and supplemented by the 155-EE Series of Orders; and
5. To consider such other matters as may be pertinent to this application as shown by the evidence presented at the public hearing.

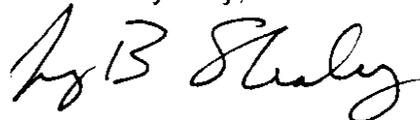

The Clophe Sand, Reservoir A, in the Abbeville Field, Vermilion Parish, Louisiana, was fully defined in Office of Conservation Order No. 155-EE, effective July 18, 1978.

Any pertinent data relating to this Application can be obtained AT THE COST OF THE REQUESTING PARTY from Louis Gilbert, 3636 N. Causeway Blvd., Suite 204, Metairie, Louisiana 70002, (504) 834-8112.

There is attached hereto and made a part hereof a plat which outlines CLOPHE RA SUA, and reflects the location of the unit well, alternate unit well, and the proposed alternate unit wells. There is also attached hereto a list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom this proposal is being sent. Pursuant to the Revised Rules of Procedure, such a list of parties is being furnished ONLY to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation. However, the list of parties will be provided to any party requesting a copy of it. A reasonable effort was made to ascertain the names and addressed of all Interested Owners, Represented Parties and Interested Parties.

Finally, there is enclosed our check in the sum of \$755.00 payable to the Office of Conservation, representing the required hearing application fee.

Yours very truly,

JEREMY B. SHEALY
